Bread for the Children

***The woman was a Greek, a Syrophenician by nation;
and she besought him that he would
cast forth the devil out of her daughter.
But Jesus said unto her,
Let the children first be filled:
for it is not meet to take the children's bread,
and to cast it unto the dogs.
And she answered and said unto him, Yes, Lord:
yet the dogs under the table eat of the children's crumbs.
And he said unto her, for this saying go thy way;
the devil is gone out of thy daughter.

THOUGHTS HIGHER THAN MINE CHILDREN'S BREAD PROPHECY

By Moses Hightower

Grace Has Already Won the War Against Deception and Distraction; Therefore, Go On to Evangelism

Series 6.4.28 - Letter #119

The spirit of truth is in you. It has brought focus to your life and led you away from the meaningless war against distraction. You are now focused on my purpose. Now go and mobilize the congregation to evangelism. I brought you here to evangelize this area. You have not touched the surface. Most of the wars that you have fought were authored by distracting spirits, whose intent is to frustrate my purpose. The gates of hell will not prevail against my body. Come and follow me. As many as are led by the Spirit of God, they are the sons of God. My sons have walked after their flesh and ignorance. You are not ignorant of the devil's devices. Make the people aware of their folly and the deception that is rampant in the church. Go and chain up the spirit of deception. I have given you that authority. Whatsoever you shall bind on the earth will be bound in heaven. All heaven is waiting on you to spring forth into action. Arise out of sleep and put on Christ.

You know the time. Your salvation is nearer than when you first believed. The night is spent much farther than you perceive and the day is at hand; therefore, cast off the works of darkness and put on the armor of light. Walk honestly, not in strife, hate, and envying. Do not make any provision for the flesh to fulfill its lust, but put on the Lord, Jesus Christ. You are Abraham's seed and an heir according to the promise made to him. I am causing your heart to sing for joy, for your blessing will not perish. I have clothed you with righteousness. Now wear righteousness as a robe and a diadem. I have sent you to be eyes to the blind, feet to the lame, and a father to the poor. Take my

word and break the jaws of the wicked and pluck the spoil of their teeth. I have renewed your bow in your hand; therefore, do not keep silent, for I have given the people ears to hear your words. Your speech shall drop on them. They are waiting on you as for the rain. They are opening their mouths wide as for the latter rain. Many are mourning. Now go and comfort them. I have covered you with a robe of righteousness. Now go and do not be afraid to speak all the words that I place in your mouth.

The enemy conspired to take your ministry to the graveyard. He thought that he would take it to the swine's pen; however, I gave you a heart to repent of your sins and to be broken and contrite. You fell at my feet and offered me the acceptable sacrifice saying, "***I have sinned against God, heaven, and his body.***" Now I have placed the best robe on you and cleansed your heart, your hands, and your feet. Eat of the living bread and be merry. You were near death, but now you are alive again. The righteousness of God, which is by the faith of Jesus Christ, is unto all and on all them that believe. There is no difference. All have sinned and come short of the glory of God. I have justified you freely by my grace through the redemption that is in Christ Jesus. You have nothing to boast about, for I have excluded boasting by the law of faith. Do not give a place to the devil by lying, robbing, lusting, coveting, or idol worship. Do not allow any corrupt communication to proceed out of your mouth. Always allow that which is good to come out of your mouth to the use of edifying so that your words may minister grace unto the hearers. Do not grieve my Spirit with your thoughts of defeat and fear. Have faith in my promises and put away from you all the discouraging thoughts of my unfaithfulness. Be kind to others. Be tenderhearted and forgiving toward others, even as I have forgiven you. Now let the peace of God rule in your heart, and let the word of the Lord dwell in you richly. Continue to inspire the people to teach others using new spiritual songs, singing with grace in their hearts unto me. ◆

Words of Light upon the Face of Deception, Defeat, Discouragement, Distraction, Doubt, Envy, Fear, Folly, Frustration, Hate, Ignorance, and Strife

Series 6.4.28 - Confession #119

The spirit of truth is in me. It has brought focus to my life and led me away from the meaningless war against distraction. I am now focused on God's purpose. I will go and assist my Pastor in mobilizing the congregation to evangelism. God brought us here to evangelize this area. We have not touched the surface. Most of the wars that we have fought were authored by distracting spirits, whose intent is to frustrate the Lord's purpose. The gates of hell will not prevail against his body. I am following Jesus. I will go assist my Pastor in making the people aware of their folly and the deception that is rampant in the church. Together, we will chain up the spirit of deception. God has given us that authority. Whatsoever we shall bind on the earth will be bound in heaven. All heaven is waiting on us to spring forth into action. I arise out of sleep and put on Christ.

I know the time. My salvation is nearer than when I first believed. The night is spent much farther than I perceive and the day is at hand; therefore, I cast off the works of darkness and put on the armor of light. PROPHETIC INSIGHT

By Don Grigsby

RE: RHEMA - Grace Has Already Won the War Against Deception and Distraction; Therefore, Go On to Evangelism

Some of the indiscernible sounds we are hearing are the angels gearing up for the harvest. It is not the sound of the battle, but the triumph of salvation that has already been purchased for many. It is the sound of much activity in the entire arena of the harvest. The seventh parable of the harvest net is being fulfilled as we speak. Our focus on the harvest will place us the nearest to the heart and intent of the Almighty. His love and grace is not only for us but for those who do not even know that they are really lost. They know that they are in great trouble but they do not know where to go for help. God will take the Rhema and the prophetic ministry to a new dimension when we focus its unlimited power on the salvation of the lost around us. We have never seen the miracles that will take place when we begin to speak healing and deliverance to the lost. God's greatest visible miracles took place in the creation of the earth. Even greater works and words than these will we speak and see when we release the power of his spoken word from our mouths. Sweeping power and services are about to break out among the people as we sing the new songs of the Lamb that saves to the uttermost. Promises of power and deliverance will draw people into the house of the Lord like a mighty magnet. God's promises will be fulfilled in the dimensions that

they were spoken in and will be doubled in their scope as we allow them to sweep us into the new dimensions of evangelism.

EXCEPTIONAL EXPRESSIONS

PROPHETIC BITES

By Moses Hightower

Grace has leaped into your life. It has embraced you and led you past many being destroyed. Allow your heart to shout and sing praises for the salvation that has kept you while the mighty are fallen. Do not rejoice that they are falling but rather be grateful that grace was received when the fall came. Grace is my reward in this life, and love is your security if you love me. Peace is your stability while death and confusion plan to destroy the unstable souls of the hour. Joy is an undefiled river of fresh water in your soul while sadness and grief have become the sewer for those who hate me. While the instruments of spiritual adultery are fashioned and aimed to bind you to weak human ability, grace has led you beside the still waters of peace and love. Remain in these arms of love, and you will not hear the voice of weak human emotions as they express worthless words that shall fail on every corner. I have given you fresh water to drink and fresh bread to eat. I have given you healing from the wings of the Sun of Righteousness. I grant you a healing in your mind that the wave of lust and pride from this last effort of the princes of this world do not snare you. Do not think that you can do it of yourself, but only by my grace and my power can this be accomplished.

RE: RHEMA - The Removal of the Lions and Serpents of Distraction

Bondage is the ashes of a life that has surrendered to the power of its conqueror. We are more than conquerors through him that has defeated every form of bondage that will come or be created. His Spirit is the spirit of liberty. We are children of the heavenlies, so we are exempt from the spiritual taxation of the system of fear. All around us the house of captivity is filled with crushed and bound spirits, but the One who has the keys of death and hell will never allow us to be the residents of these places. We become entangled in our own human frailties and weaknesses. Our tendencies will tie us in knots and leave us bound and gagged if we fail to listen to the One

who has already provided a highway of holiness that rides above the regions of bondage. His residence is in us, and who he has made free is beyond the reach of the one who is bound by the direct limitations of the word of God. The atmosphere of captivity breeds emotions and expectations that are negative. We must never allow this mindset to brainwash us from the mindset of power. We have been given the mind of Christ.

PRAYER OF THANKSGIVING By Rigo Toledo

April 28, 2008

I am grateful to you, Lord, for granting me the gift of the Holy Ghost and placing the spirit of truth within me. It brings focus to my life and leads me in the direction that you want me to go. I am full of appreciation, for you guide me into all truth and the understanding of your will. As I yield myself to you, I am focused on your purpose. I am elated that you have saved me so that I may evangelize everywhere I go. Thank you for the grace that you are granting to fulfill your calling in my life. I come and follow you and desire to continually to be

led by you. You have granted me authority this day, so whatever I shall bind on the earth will be bound in heaven, and whatsoever I loose on earth shall be loosed in heaven. I realize heaven is waiting on me to spring forth into action. I arise out of sleep and put you on, for the Rhema and prophetic ministry shall take me to a new dimension that its power shall bring salvation to the lost. I believe that miracles will take place as I begin to speak healing and deliverance to the lost, for it is you that dwells in me and does the work. You are faithful and desire that your word come forth to bring hope and salvation unto the lost. Therefore, I give you thanks, for the salvation you have granted me shall be extended unto others. Praise be to your name!

RE: PRAYER OF THANKSGIVING

Grace teaches us that God will abundantly supply our needs. As we mature in the Lord, we find that it is his will to do the same for all that are around us. Lost and hurting people are all around us. God has filled us with so many spiritual blessings that the overflow will fill the dry and thirsty lives around us. We were never created to heap God's blessings on just ourselves. We will find that as we pray and minister to others that not only will God meet their needs but will also abundantly bless us with blessings that we did not even ask for.

THOUGHTS HIGHER THAN MINE

CHILDREN'S BREAD PROPHECY

By Moses Hightower

The Birth of Miracles in the Face of Contentious Spirits

Series 6.4.29 - Letter #120

Am I unrighteous?

It is impossible for me to lie. Will I allow corrupt men to use me as their defense?

They testify that they do not know me by using me as their defense while hating their brothers and sisters. Have I, the God of light, become a partaker with the darkness?

I cannot be corrupted by the darkness, for I am the Light. Do not fear those who stand in the quicksand of darkness and accuse you. I am not influenced to be against you because of their accusations. I am faithful to those who are mine. Your failures do not disqualify you as an inheritor of the grace of God. My blood was shed that you may be cleansed when you fail or sin. Have confidence in my blood that has washed you, and now you are white like snow. Have confidence that I do not remember your sins any longer. Shall I support charges that I do not remember?

The gifts and the calling of God are without repentance. Have I taken your gifts because you sinned?

The ignorance of men is magnified by their use of your sins as reasons to believe you are no longer anointed. Was David yet anointed after he sinned?

Was Saul unrighteous?

Was he anointed?

Turn from the devil's show in the darkness, and do not view his theatrics again. He is a liar and the father of a liar. The father of the lie accused me. Did his lies stand up in the courts of heaven against me?

Shall the children who live after the lust of their father, the devil, fashion lies that will stand up in my courts against my children?

One thing that I hate is a liar. Shall a thing that I hate now be supported by me?

I have come to send the bombarding effects of the evil war against your mind back to the pit from whence they came. I have come to reaffirm my love for you and my support of you. I have sent you to do a work for me. Now, am I against you, the messenger, to destroy the work that I sent you to do?

You know me. Do not allow doubtful disputations to cloud your knowledge of me. The contentions that are presented against you are meant to lure you into a deeper conflict with doubt. Strife is the author of the conflict. I have cast out the scorers. Now do not bring the effect of the scorer's plots into your thinking. I have given you the mind of Christ. The mind of Christ already knows the end of all things. Live after the mind of Christ, and you will not lower yourself to the mind of debate. I have not sent you to debate. I have sent you to preach the gospel. Go and preach the gospel. It is time to speak my word. Go and proclaim the birth of miracles. In the face of contentious spirits and in the face of great controversy, I am blessing my people with miracles in spite of their failures.

PROPHETIC INSIGHT

RE: RHEMA - The Birth of Miracles in the Face of Contentious Spirits

Attacks upon our lives and character will not stand before the only seat of judgment that matters. Other forums of opinion are only winds of the desert that come and pass away. Jesus Christ has approved of us by his sacrifice of love before the foundation of the world. Calvary is our defense and evidence. Who can win a debate with the blood of the Lamb slain from the foundation of the world?

A higher dimension of words has called us to cease to listen to the prattling of those who are not focused on the purpose of the kingdom. Their words are like a dog chasing fleas. We have been called to echo the creative definitions of infinite grace. Our thesaurus is not filled with the words of condemnation. If there is no condemnation to those who are in Christ Jesus, then those who insist on condemning must be somewhere else. Revelation is our focus. Satan tries to perpetrate scandal and slander. God comes not to expose and embarrass but to call us to greater dimensions of understanding. It takes very little understanding to accuse and condemn. It could be said they are void of understanding of real spiritual matters. God has called us to the triumph of faith's testimony over unproven theories. God has proved his love and forgiveness over and over again. Those who merchandize in other pursuits are like those who bought and sold in the temple.

They charged people exorbitant rates of exchange for their currency, and then a hugely inflated price for an inferior animal for sacrifice. Our Lord has already presented the perfect sacrifice for our justification. Grace freely gives it to us. To condemn and be contentious is to try to charge someone else the high price of our carnality for that which is free. This table will be overturned and cast out of the house of prayer.

EXCEPTIONAL EXPRESSIONS

PROPHETIC BITES

By Moses Hightower

The expressions from the princes of spiritual compromise have slain many while they have listened to the voice of false favor and vanity. I have granted you a love for the truth that you may be able to stand and not fall into the hands of deception from the devil, neither into the hands of my accurate delusion that awaits those who do not love the truth. Prepare to give your life for truth. Many have given their lives for lies. Those who give their lives for lies do not have any mercy waiting to escort them to finished redemption. Those who give themselves for truth shall never lose in the end. If you lose your life for the gospel, you will surely save it. Stand for that which is right, and your honor in heaven shall be great. Give your life for a lie, and you are dishonored in this life and in hell.

RE: RHEMA - A Work of God in Response to Rejection

Every lying spirit in the beginning lined up in mass and hurled the insult toward God, **"It will never be!"** God said let there be and there was. Nobody could have seen Genesis 1:31 **"Everything that he had made was very good."**...in Genesis 1:2 **"...without form and void...."** God saw it before, and he still sees all the created visible things coming forth from the invisible. The spirit of a liar opens up for every other unclean spirit to come and inhabit the vessel it lives in or around. Pride, anger, self-justification, depression, and any number of destroying spirits would like to overrun the church. As overseers we must never allow those to hang around, but send them back to the pit from which they came. Mighty works of God stand on our horizon, and the ingathering of the harvest of souls beckons us with open arms. We must never allow an intruder to abort the work God has destined to happen.

◆ Great grace is upon you; therefore, rejoice, for your name is written in heaven. I

have filled you with faith and power. Wonders and miracles shall follow you. I am Jesus, so go and be a witness of me. I have delivered you from those who were against you. Now go open the eyes of those who have not seen me. Turn them from darkness to light and from the power of Satan unto God so that they may receive forgiveness of sins and an inheritance among them which are sanctified by faith that is in me.

250. Are you ashamed of the gospel of Christ?

◆ I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion. It is not of him that wills it, nor of him that runs but of me that shows mercy. I raised you up that I might show my power in you and that my name might be declared in the earth; therefore, have I had mercy on whom I will have mercy, and whom I will, I will harden. No one has been my instructor, neither my counselor. People are confounded because they thought I would act against you.

251. Who has resisted my will?

252. Who is he that replies against me?

253. Shall the thing formed say to me that formed it, "Why have you made me this way?"

PRAYER OF THANKSGIVING

By Michael Hannah

April 29, 2008

I am very grateful Lord that the attack upon my life and character does not stand before the only judgment seat that matters. Because you have given me your love and shed your sacrificial blood, I have been given

justification's approval. I rejoice and am glad this day because the evidence and defense of Calvary cannot be debated. I am thankful for the treasure of eternal words of power as I proclaim them in a higher dimension of revelation. I appreciate faith's triumphant testimony given by your precious love and forgiveness. For this, I am confident that there shall be no end to your kingdom. You kept your promise to me this morning, Lord, and preserved me from the attack of the destroyer. I will not allow doubtful disputations to cloud my knowledge of you, who is sovereign over all. I purpose to take confession, prayer and worship as the work you have sent me to do. I will turn from the devil's show in the darkness and will not view his theatrics again. As I allow grace to flow through me, my sins are remembered no more. I am thankful for the grace that you give, for your gifts and calling are without revocation. You have called me to echo the creative definitions of infinite grace and I rejoice. I am elated to live after the mind of Christ, which knows the end of all things. I am overwhelmed and grateful that as I live after your mind, your words reaffirm your love for me.

RE: PRAYER OF THANKSGIVING

May we always be incurable worshipers of his grace in our lives. Enemy attacks will come to our lives, but the Lord will deliver us out of them all. We are exempt from the jurisdiction of the courts of public opinion here on earth. We have been forgiven and counted not guilty by the blood of Jesus Christ. Satan will try to distract us from our goal, but we have determined to give ourselves to worship and prayer and that will take us into dimensions of the Spirit that the enemy cannot access.

The Battle Is the Lord's and the Victory Is Ours

Series 6.4.30 - Letter #121

Light has shined out of the darkness of your trial. The darkness of your trial has no power to bring down this great light. Look to the light and see that there is no darkness in me. The darkness cannot comprehend the light. You have listened to the voice of the darkness and have not heard all that the light has spoken. Refrain from listening to the voice of darkness, for I have not ordained you to entertain its voice. The author of the darkness intends to mock your faith. By subtlety, he has beguiled many in this hour. Do not be corrupted from the simplicity that is in Christ. I have given you a pure heart and mind. Now allow purity to flow out of you.

Do not let any corrupt communication proceed out of your mouth but that which is good to the use of edifying that it may minister grace to the hearers. Let your speech be always with grace, seasoned with salt. The salt of your speech will preserve you from the snares that are laid before you by Satan. Death and life are in the power of the tongue. Allow the power of your tongue to produce life and joy in others. A man has joy by the answer of his mouth. I have called you to give life, not death. I have given you the power and the authority to produce miracles by your mouth. I have given you the same creative power that I possess. I said, "***Let there be light, and there was light.***" Go and say, "***Let there be property and buildings,***" and there shall be property and buildings. Do not doubt. You can have whatsoever you say. Whatsoever things you desire when you pray, believe that you have them, and you shall have them. My word will not return to me empty or void. Heaven and

earth shall pass away, but my word shall remain. Though doubt covers the land, it has not entered into the heavenly places where you dwell. Do not peer outside at the darkness and the lightning of the devil in the storm of darkness. All of those things are on the outside of heavenly places. The angels will take care of these troublemakers. I have called you to minister, not to fight fallen angels. The battle is mine and the victory is yours.

Go in the name of the Lord. The enemy has defied your God, but this day I have delivered the enemy into your hands bound in chains. As you praise me, you will smite the enemy and take his head from him. I have not saved you with swords and spears. The battle is the Lord's. I have given the enemy into your hands. You will prevail by praise. Do not hold back your praise, for by your praise you shall take the head of your troubles. Bring me the head of your troubles in the hand of your praise. I do not need a multitude to save you, for nothing can hinder me from saving, whether by many or by few.

Do not be afraid or dismayed by reason of your adversaries, for the battle is not yours but mine. You do not need to fight in the battle by your own strength. Stand still and see the salvation of the Lord, who is with you. Worship me, and I will do the rest. I am your refuge and your strength, a very present help in trouble. Do not fear. Though the earth be removed and though mountains be carried into the midst of the sea, there is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High. I am with you. Now behold my works on your behalf. Be still and know that I am God. I am exalted among your enemies and throughout the entire earth. I have sent a word into the church. That word has brought light unto the people. Not by might, nor by power, but by the Spirit of the Lord God will the battle be fought and won. I have sent grace unto your troubles. Now rejoice.

Words of Light upon the Face of Accusations, Adversaries, Corruption, Doubt, Darkness, Fear, Subtlety, Trouble, and Troublemakers

Series 6.4.30 - Confession #121

Light has shined out of the darkness of my trial. The darkness of my trial has no power to bring down this great light. I look to the Light and see that there is no darkness in Christ. The darkness cannot comprehend the light. I have listened to the voice of the darkness and have not heard all that the light has spoken. I will refrain from listening to the voice of darkness, for Jesus has not ordained me to entertain its voice. The author of the darkness intends to mock my faith. By subtlety, he has beguiled many in this hour. I will not be corrupted from the simplicity that is in Christ. The Lord has given me a pure heart and mind. Now I allow purity to flow out of me. RE: RHEMA - The Battle Is the Lord's and The Victory Is Ours

Our fight is within our own minds as much as in any other arena. Reason and logic assemble their armies in brilliant array. As human beings, we feel the attack is against us personally. It is in one sense, but the real attack is against God through us. Satan knows he cannot defeat God. He will defeat us every time if we will fight the battle in our minds, bodies, or spirits. God has already defeated our enemies. We triumph in the praise of the victory that already belongs to us as part of the estate that God has already placed us over. Defeats that crush us the most are in the area of our best efforts being crucified by unfeeling and unchanging people. They will create a rock grinder that will grind their own resistance to powder.

Light has always defeated the darkness. All light has to do is just keep being the light. Darkness has never been able to reach up and overthrow the light of God's defense. Darkness will bring so many layers of thick clouds of doubt and fear at us from every direction. We feel so overwhelmed by the mere numbers of words and thoughts that we want to scream. It is not how much more we can stand. We will stand with the armor of light in the power of God's defense on our behalf. God did not leave the children of Israel at the mercy of the Egyptians. God will still send the wind of deliverance into the seas of impossibility. He will open up a path that if our enemy tries to pursue us, he will drown like a stone in the waters. It is time for all God's people to get out the tambourines and sing. The Lord is our strength and song and has become our salvation. Our victory is assured at the cross. We will not speak of the trouble of the enemy, but we will declare the trouble that he will have with the defender of our soul. Our testimony will declare the greatness of the Lord God mighty in battle.

RE: RHEMA - There Is Light in This Evening Time

Revelation will expose all the false ideas and concepts that will lead us astray. Evening shadows may have stretched out, but the shadows are the result of a great light of understanding and revelation. Our mouth will be greater than the laser weapons that men are using in the arena of outer space. Light will come and erase the words of the night from the canvas that has been smeared with the ridicule of the liar. Darkness will never swallow up the

light. Light will always overthrow the darkness. We are the children of light, so we will put on its garments and declare the gospel with illumination of grace that has never been declared before. We will testify of our Savior with words that will be like a medicine to a sick and diseased soul. Healing will be dispersed by the words of the prophets of this hour. If he sent his word and healed them, he will do it again with more brilliant illumination than ever before. Faith has filled the night with its floodlights of love. Love will wash the weary soul as we boldly proclaim the gospel in the context of revelation.

I sent you.

◆ I have given you perfect peace. Simply keep your mind on me and not on the news of the day. Many are being plagued by interferences caused by their trust in what they are listening to. Turn from the news reports and hear the heavenly news report. There is light in the church. The darkness that you are hearing about is in the world. Cease teasing with this tormentor, or he will break down your love and confidence in me. You say, "How have you teased with the tormentor?"

PRAYER OF THANKSGIVING

By Jorge Sanchez

April 30, 2008

Lord, though the enemy comes to fight me in my own mind I am grateful that you have already defeated this enemy. Thank you for not allowing me to be defeated by my former relationship with reason and logic. When these things come against me, I worship you and I will allow you to fight on my behalf. I praise you because your light has already defeated darkness. I rejoice and I realize that all your light has to do is just keep being the light. You are my defense and darkness cannot overthrow you or your light. There are times when I feel so overwhelmed by the mere numbers of words and thoughts that come through my mind that I just want to scream, yet, by your grace and mercy I will stand with the armor of your light in the power of your defense on my behalf. Jesus I know that you did not leave the children of Israel at the mercy of the Egyptians nor will you leave me vulnerable to the attack of my foes. I give you my praise because I know you will send the wind of deliverance into the seas of impossibility for me. You will open up a path for me so if my enemy tries to pursue me, he will drown like a stone in the waters. I will get out my tambourine and sing and praise you as my strength and my song, for you have become my salvation. You my God have assured my victory at the cross, and I will no longer speak of the trouble brought by the enemy. I will declare the trouble that he will have with you, the defender of my soul. By your grace, my testimony will declare your greatness, for you are mighty in battle.

RE: PRAYER OF THANKSGIVING

Jeremiah 15:16-19 is a microcosm of our faith that is high at times, and in the face of raw reality, we wish we had a cave to hide in like Elijah. Jeremiah is the one that was so on fire with the word of God and his promises that he said it was like fire shut up in his bones. Jeremiah is the one who wrote in chapter 31 of the new covenant of the Holy Ghost and word written in our hearts and minds. He was so full of faith that he bought land when he was in prison, and the enemy was at the gate to completely destroy the city. In these verses, he finds the word of God and eats it. It is joy and rejoicing. He has been holy and has not gone with the crowd and their ways. Then, he asks about a wound that will not be healed and the perpetual pain that is in him. Then, he blows us away by asking God if he is a liar! God helps him by a very basic instruction. The fear of the Lord is to hate evil and the froward mouth. The **froward mouth** is **hearsay or a fraudulent report**. Ten spies brought up an evil or doubtful report of unbelief, and the nation wandered in the wilderness until all who doubted died. We are even instructed to think on the things of a good report or a report of faith. In fact in Proverbs, we are told that a good report makes the bones fat. In Hebrews 11, they obtained a good report by faith. Jeremiah's answer is what the best translation says: **If you will utter that which is precious and not that which is worthless**. II Peter 1:4 speaks of exceeding great and precious promises. Another version says that if Jeremiah will bring forth out of his mouth the precious report of God's faithfulness that he would be God's mouth and prophet. Psalm 145:4-12 speaks seven times of speaking or uttering the greatness of God's power. When we speak of God's power, we are building the platform that God will demonstrate his power in our life upon.

Grace Has Brought Us to Destinyland in the Belly of Circumstances

Series 6.5.1 - Letter #122

I have allowed all the things that have happened to you. I allowed the nakedness that was revealed. The enemies that sought to strip you were of me. They meant it for bad, but I meant it for good. They sought to throw you in a pit, but I have brought you out of their self-made pits. You are a son of the covenant; however, your enemies have treated you as a bondservant. This path of a bondservant was the pathway of deliverance. I sent you along this path to turn bondservants unto covenant sons. In the end, your enemies shall bow to you. The slavery that they imagined for you does not exist. These things have happened to you because you are anointed. In the land of misunderstanding, I have blessed you. You are on your way to destiny; therefore, rejoice. You are on course. Do not be discouraged. You can encourage yourself; however, I have given you people to encourage you, to pray for you, and to bless you. Though there were some who forgot the way you blessed them in the past, there are many that remain who will never forget how I used you in their lives to bless them. Their thanksgiving is more than enough to keep you encouraged.

Some people that you blessed in the past turned against you. Do not feel bad. This is what happened to Joseph. He blessed a man in prison, but when the man was released from prison, the man forgot Joseph. The gifts that were used in the past to help people that depended on you are still yours. Remember, you are a dreamer, a prophet, and they will need you again; therefore, go on to your destiny. The circumstances I have sent to them will bring them to Destinyland for help. Do not

despise the time spent in the trial. There is nothing that I cannot and will not forgive you of. You have been forgiven and the path to destiny is before you. There are no more vultures on the pathway. I have sent them away. Now rejoice. You have entered into my inner courts by praise. Now allow thanksgiving to flow out of you. Your thanksgiving shall accomplish things for you and others that you cannot imagine. You are walking in the spirit of prosperity. Those who have rejected you have rejected the true prosperity of the last days. They have accepted prosperity wrapped in hatred and rebellion. Hatred and rebellion are thieves that shall strip them as they travel in their assumed path of success. Worship me in spirit and in truth. I have not stopped your blessings in this time of misunderstanding, but I have increased them. You are a better person. I have preserved you from bitterness. Go and be a blessing to others.

RE: RHEMA – Grace Has Brought Us to Destinyland in the Belly of Circumstances

We look through a glass darkly. The word *darkly* is from the Greek word for enigma. In the original language, it means an indirect revelation of deity or reverse reality. When we look at a vicious attack of the enemy, we should search for the victorious image of the Almighty. In the process of the problem, there is established a platform for God's power to be performed on. When the lies and the trouble come our way, the Lord is opening up our lives to give us the power to leap over walls and to run through the troops of the enemy. He will still make our feet like hinds feet and start us dancing on the high places of victory in the very face of defeat. What impossibility shouts will never happen, will be born in us. Our overthrow is really the overthrow of principalities and powers that are around us. God will cast down the imaginations that manufacture our own tormenting terror. We will behold the face of miracles instead of the faces of monsters. God has given us the words of prophetic utterance that dismantled the armies against us. His powerful words have worked miracles in our ministries on so many stages. Now on the stage of temptation to fight the battle ourselves, we will speak the words that the enemy cannot withstand or gainsay against.

They are now the testimonies of goats and speaking corruption that speaks louder than the pillar of salt of Lot's day. Corruption is speaking in this present hour. If you will not hear my word, you will surely hear the voice of corruption with its winds of famine and death. Life is speaking. RE: RHEMA - The Battleground for Souls Is a Place of Tremendous Victory

Encampments of the enemies' discouragement seem to always dot the path of the faithful. Heaven's hosts await the incursion of the attackers to stop them in their tracks because praise has already established shields and defenses around them. Our past is not even a good ghost to come and attack us. Failures of yesterday are the shadows of something that is a phantom of the night. It is not really there. It just tries to pursue those who will pay it any attention. Our eyes are fixed on the goal of things not seen in the natural setting of the battle. We have already seen and heard the end of the crusade. It is a victorious, unbroken fellowship with the strength of our lives. Hidden in all these skirmishes are the jewels of the treasure of his providence all along our path. It is never time to despair but to rejoice in his strength and victory over our every foe.

PRAYER OF THANKSGIVING By Milton Rodriguez

In the midst of discouragement and indifference, you are my comforter. Lord, you are my strength and song. I am so thankful because you are in control of everything that happens to me directly or indirectly. You control the destiny and direction of every person in the world. All of your decisions concerning me are made with all power, all wisdom, and all love. The choices that you make for me are always right, and they are always with my best interest at heart. When the enemy vents his attacks toward me through unsuspecting carriers, you will make me an enigma unto him. You will reverse his proposed reality through the power of the resurrection. I am not a servant, but I am your child and your friend. I worship you, Lord, for the great and mighty things you are doing in the earth at this time. I am elated that I get to be a part of the church in the last days. You are revealing yourself unto whomsoever you will. Thank you for my times of abasement and humility, for they give me the ability to stand in a right mind during my times of abounding.

RE: PRAYER OF THANKSGIVING

Joseph may have not understood the pit and the prison, but it never diminished or changed the certainty of his dream. We can be sure that no matter what events happen in our lives, all things are working together for good for us. God not only preserved Joseph, his family, and the nation, but he also became a father to Pharaoh. God is reaching for more than just us when he walks and works in our lives. We can be sure that when we trust him with it, all that results will be much larger than us.

***There Are New Dimensions on the
Other Side of the Door of Trial***

Series 6.5.2 - Letter #123

I have said, "***Behold, to obey is better than sacrifice, and to hearken than the fat of rams, for rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the Lord, he hath also rejected thee from being king.***" This is where I drew the line in dealing with Saul. He chose to disobey me when I commanded him to utterly destroy the Amalekites. He chose not to utterly destroy them and was rejected for his act of disobedience.

I have said, "***Touch not mine anointed, and do my prophets no harm.***" Will a man be accepted while disobeying me in this regard?

Though a man has a crown on his head and scepter in his hand, his works are futile

and meaningless if I have rejected him. If you justify disobeying me in this regard, my word is against you. If my word is against you, am I for you?

You are walking in an anointing. I have given you power to get wealth. Wealth is focused riches. There are many people who are rich but are not wealthy. The wealth of the sinner is laid up for the just, and the just shall live by faith. You have given; therefore, your wealth is pressed down, shaken together, and running over. Bring me remembrance of what I have said unto you, so that I may do it. My word will not return unto me void. Your enemy being against you does not frustrate my word, neither can they prevent my word from coming to pass in your life; therefore, prosper. Prosperity comes by faith. Your faith will cause the manifestation of prosperity to come to you. You have seen others prosper in a magnitude that you need prosperity to be manifested to you. Your faith will take you to the last second in deliverance. Faith has prepared you for the blessing. Now do not disappoint faith. You cannot please me without faith. This trial is a test of your faith. I must show you what I have given you. I have given you faith. Now believe that this thing that has been forged against you shall be turned around for you. I am taking you to a new dimension. No one enters into a higher dimension without going through the door of trial. Grab the door knob of trial and turn it to the open position and enter in. I have placed the answer in the new dimension. You had sought the answer in this dimension, but I placed it in the new higher position. Leap for joy and enter in. Your blessing is on the other side of the door.

RE: RHEMA – There Are New Dimensions on the Other Side of the Door of Trial

New dimensions of the kingdom of God are never without resistance. **Power** in the original Greek is most commonly translated from the word ***dunamos*** or ***dynamo***. It has been termed dynamite but really means miraculous power. The principle of the dynamo is the principle of an electric generator. The turning of the generator is against the forcefield. When you turn against the force field, you generate electricity. We will never have power or miracles spiritually flowing with the tide. As we rise higher in the atmosphere, there has to be a tremendous breakthrough force that breaks the pull of gravity as the space program has shown us over and over again. Oh! But when we break through the boundaries of gravity, it is freedom in the space of the miraculous. Many times before people believe God for other miracles in their sickness, they must throw off that last vestige of resistance to break through into their final deliverance. In prosperity and plenty, we will do the same as we take off the robes of the normal and put on the robes of kings and

priests with dominion and authority over every dimension that we have promises in. We have received a special anointing for this hour to process all the overflowing promises of God. He has not called us to a meager measure but to the overflowing abundance of all things. We will break through every resistance and restraint into the marvelous multiplicity of grace in all its facets.

PROPHETIC BITES

By Moses Hightower

I am leading you to the place of victory already won. Run to the one who has already placed all things under his feet. Run to the light that has already separated itself from all darkness. Run to the head of all principalities and powers that has already caused all these enemies and their armies to bow. Run to me, and I will give you rest from the wars fought by those who are corrupted from the simplicity that is in Christ. I offer you life and a life free of the pains suffered by David and Bathsheba. Their lives were for your admonition. Now come, and live in heavenly places unaffected by the lust and pride of earthly kings and queens. Here in my presence, the joy of submission to my lordship is an expression full of joy and triumphant rule with me in this life and in the life to come. I have invited you into the courts of peace. Give me your hand as you walk around this array of defeated warriors. Look at them from this position, and see that they do not know where you are, for here you are hidden in me. Come. Let us go on. There are souls to be won.

RE: RHEMA - The Holy One of Israel Is Our God, the Only Potentate and Our Maker

One in the Hebrew language could mean in agreement, but when it pertains to God, it is the fact that he is uniquely one. Demons tremble when they recognize the Holy One of Israel. They know that when Jesus is present, all of his power that is infinite in yesterday, today, and tomorrow, is present to be brought to bear against them. Hell is in a hopeless situation in the hands of the church that knows who their God is. We must never forget that the oneness of God is not just a novelty doctrine, but it brings all the power of the Almighty one to us at once. We have never truly grasped the power of God that is available to us in our faith in him. As Almighty God and the only potentate, he controls all the power of nature in the earth and the universe beyond. The largest and most distant galaxy awaits his

command to be his chariot at a moment's notice. We should realize that the enemy of our soul could never be even a piece of God. God has already established the fact that he will never have any other gods on the same level or vicinity with him. His power is so immense that he tore down the wall of separation between the Jew and the Gentile. He is so powerful that he can tear down the wall between denominations and even enemies. He can make our enemies to be at peace with us. God's greatness and infinite power will never be just words on the paper we read. His power will be displayed in the selfless words of power and grace that we release into the lives of those who desperately need them so much.

◆ The devil is gaining an advantage on my people, for they are ignorant of his devices. David did not know that it was Satan that stood up against Israel and provoked him to number Israel. Job did not know that Satan had said unto me, ***“Put forth your hand, and touch all that he has, and he will curse you before your face.”*** He did not know that I had said, ***“All that he has is in your power. Only upon him, do not put your hand.”*** Job did not know that I had asked Satan, ***“Have you considered my servant Job, that there is none like him in the earth, a perfect and an upright man? Job is one that fears me and abstains from evil.”*** Job was ignorant of this conversation.

258. Could there have been a conversation in the heavenly places concerning you?

◆ Nothing can happen to you unless I allow it. Whatever happens to you should create this response in you, ***“God's grace is***

sufficient for you.” There are certain things that happen to you that should be left up to me to defend against. The devil has resisted what you are doing. Now stand still and see my salvation. I will rebuke the devil. He desires to sift you as wheat. Remember, I have already prayed for you, and your faith will not fail. Go and warn the people that the devil has sent forth betrayal into the hearts of some. Anxiety will overcome them, and the serpent will beguile them if their hearts are not filled with love. There are some among you that desire to lead. I do forewarn you that the devil has put this lie in their hearts. This is one of the reasons for the attack.

259. Have you read, “Smite the shepherd and the sheep will scatter”?

PRAYER OF THANKSGIVING
By Thelma Hightower

May 2, 2008

Thank you, Lord, for allowing me to wake up in the land of the living. For it is in you that I live and move and have my being. I praise you for the new dimensions of the kingdom of God. I appreciate your miraculous power. You have allowed me to be a partaker of your grace and mercy and I am grateful to be a part of your body. Your love has worked in my life and caused me to obey when I desired to disobey. Allow conviction to flow in my life when I am tempted to justify any disobedience. I am grateful for a mind to serve you and not reject you. Help me to always have respect for your anointed ones and do them no harm. I know that I will not be accepted if I disobey in regard to those whom you have anointed. Thank you for the power to get wealth. I am grateful that you have given a special anointing to process all of your overflowing blessings.

RE: PRAYER OF THANKSGIVING

In God's grace, we find that we are taught to deny ungodliness and worldly lusts and to live in a godly manner in this life. What happens by his grace? We live a life of holiness out of gratitude for what God has delivered us from and keeps us from. God who is grace within us wills and works his good will in us. We are not the puppets of lust, but the people who have surrendered to the love of heaven. God will always prosper us spiritually and materially as we worship and seek him.

***Grace Causes You to Live
in the Overflow, Instead of Scrapping

Series 6.5.3 - Letter #124

Your breakthrough has come. Dive into this new dimension with full confidence in me and the promises made to you. I have not come to reduce you to the status of a beggar. I am presenting you as my representative. Have I sent beggars into the world when I have said, ***“I have not seen the righteous forsaken nor his seed begging bread. I am ever merciful and lend, and my seed is blessed.”***

I have sent you into the world as givers, not beggars. If you can't give to your own cause, how will you give to others?

If you do not take care of your own, you have denied the faith and you are worse than an infidel. Will an infidel bring glory to me?

Set your affections on the things of God and realize that I have come to bless you, not

to curse you. If I have blessed you, then who can curse you?

You are the seed of Christ; therefore, you are Abraham's seed. You are an heir to the promises made to Abraham. Will an heir to the promises bow to the beggarly things of the darkness and glorify me?

You are a prince and you have power with me. My power is inside of you. Behold, I gave you power over serpents, scorpions, and all the power of the enemy. Command the serpents, scorpions, and all the power of the enemy to bow instead of you bowing to your circumstances, problems, and lack. I have brought you the abundant life. You should be living in the overflow instead of scrapping the bottom of the barrel of need. Abundant life is having more than enough. I am the God who has more than enough. Am I your God if you don't have more than enough?

Start living like you are my son instead of living like you are a stranger to me. Once you were a stranger and foreigner, but now you are a son. You know what I am doing. Strangers do not know what I am doing. I have placed you in my bride. Will you place yourself in the outer court of provision?

I am the Lord who will provide. My provision is not inadequate. I have more than enough in amount and quality to satisfy your need and my standard. The devil wants to reduce my standard of abundance to a testimony of lack. You live as though you don't have enough. Am I living my life out through you?

I am adequate in power, capacity, competence, and all things. I am the all sufficient One. The creator has not lost his power, neither should you suffer a power shortage. The creator has not lost his prosperity, neither should you suffer a prosperity scarcity. The creator has not lost his healing ability, neither should you suffer at the hand of sickness and disease. You have lived beneath your privileges along with deficiency, scarcity, wanting, meagerness, and leanness. This is a pathetic representation of a king's child. Stand up and represent the King of kings

and the Lord of lords. I have more than you need for your present situation and your present circumstances.

RE: RHEMA - Grace Causes You to Live in the Overflow, Instead of Scrapping the Bottom of the Barrel of Need

Every time it seems that all of hell has come against us, we can be sure that God is up to something great on our behalf. When the resistance is the strongest, we need

to laugh at the devil and say, "***The wind of God is about to blow the other way and you will be blown away like chaff with it.***" God has placed us in this hour as prophets, priests and kings. We have the power of Adam restored through Jesus Christ. We are the kings that God intended Adam to be through the King of kings. By the accumulative anointing of all the prophets, we stand in the midst of the flood tides of spiritual Jordan with the glory of God upon us to turn the river of impossibility into the dry riverbed of the miraculous. When we have the ark of his testimony upon our shoulders, the government that is in control by prophecy is a lightning rod. It will have many strikes of violent force against it. We will take the kingdom and the gates of hell by the force of the word of God. When the storm begins to roll, we can be sure that the rain of the miraculous will follow. God will show that the prophets are in control of the land and that the spiritual Baals are dead and deaf. New dimensions are now open before the church and aggressive believers. Satan stands trembling in the shadow of the opening door of revelation. He knows that if we ever get inside the dimension that this door opens into, he will never be able to reach in and get hold of us. ***(Revelation says that God will make us a pillar in his temple and the wicked one toucheth him not!)*** Every present circumstance that looks like a wilderness is about to become the creator's Garden of Eden.

EXCEPTIONAL EXPRESSIONS ***PROPHETIC BITES*** By Moses Hightower

I am the everlasting Father, the King of all kings. I am not limited because of your insufficiency. I am the head of the church and the head of all principality and power. I have sounded the voice of triumph and caused everything to bow to one name, the name of the everlasting Father. Grace is given to you, and now you may enjoy the benefits of sonship, which are given to all fellow citizens of

the house of God. These benefits are not temporary. They are a part of the everlasting covenant that has been made with you. Do not be a covenant-breaker, but keep the covenant of everlasting life. I brought you into this covenant by baptism. Now that you are circumcised with the circumcision made without hands, in putting off the body of the sins of your flesh by the circumcision of Christ and were buried with me in baptism, you are no longer bound by sin and death.

RE: RHEMA - Victory Springs Forth from the King of Praise

Eternal triumph is the symphony of our praise. His victory over death, hell, and the

grave has loosed everything the enemy has tried to hide from us. The thief will have to hide in the shadows of the light of revelation. Revelation's lightning has lit the dawn of the morning of praise with the day star arising in our hearts. Love has brought its wind of refreshing to lift us up on wings of inspiration. Our paths drop with the fatness of his blessing. All of creation dances in harmony with the song of redemption. Every event, we look into the unseen for what is about to break forth into the spotlight of his grace. Our song and praise shall rise to him as the incense of our soul. He has already granted us the triumph for which we have longed. It will embrace us in the arms of our friend as we worship at his throne.

◆ Use meekness while you instruct those that oppose themselves. If they have a right heart, I will give them repentance to the acknowledging of the truth and that they may recover themselves out of the snare of the devil who takes many captive at his will. Be sober and be vigilant because your adversary, the devil, as a roaring lion, walks about seeking whom he may devour. Resist him steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. The God of all grace who has called you unto his eternal glory by Jesus Christ, after that you have suffered a while, makes you perfect, stablished, strengthen, and settles you. No man knows his heart. It is deceitful above all things and desperately wicked.

260. Who can know it?

◆ I am the Lord, your God. I must be worshipped in spirit and in truth. Sincerity is a premium in worshipping me. You have attempted to maintain a relationship with me without true devotion. True devotion is

obtained by the grace of God. Unless I give the grace, then you will not be devoted to me. All that you achieve is by grace. Grace is the laborer. Paul labored more than anyone else, but he did not do it of himself. The grace of God that was with him was the laborer.

261. Will you labor of yourself and please me?

RE: PRAYER OF THANKSGIVING

Three times in the New Testament, the Lord gives us the details of the extent of his destruction and spoiling of the devil. Hebrews 2:14 and I John 3:8 tell us that this is why Jesus came to destroy the working of the devil. ***Destroy*** here in the Greek means ***that God has taken away the power of the enemy to have an affect on us.*** It means ***to deprive of his deadly sway over us; Break its power over us.*** In Colossians 2:15, ***we see that the spoiling of the enemy takes away all his weapons and power to defeat us with.*** Satan only has power when we believe his lies. We are super conquerors with Christ in us. We are commanded not to give a place to the devil. If we do not allow him to have any space, then he has none at all in our lives!

***Eternal Life Is Taking You
to the Place of Rewards,
Not to the Place of Rejects***

Series 6.5.4 - Letter #125

Life is dwelling inside of you. Eternal life has taken up residence in you. Allow eternal life to take you to the place of rewards, not to abandon you in the place of rejects. Always be merciful and you will always find mercy, for

blessed are they who are merciful, for they shall obtain mercy. Mercy and truth met together. Righteousness and peace kissed each other. Truth sprung out of the ground after it was buried, and righteousness looked down from heaven. I have given you that which is good. Now your land shall yield its good fruit. Do not doubt my faithfulness unto you. I started a good work in you, and I will finish this good work in you. I have no pleasure in those who draw back to do evil. Press toward the mark for the prize of the high calling of God that is in Christ Jesus. Goodness and mercy are following you. They shall escort you into the future that I have made for you. I made today. Goodness and mercy ushered you into today. As you entered into today, goodness led you unto repentance. As mercy stretched forth its hands to shake the hands of truth, the covenant was refreshed in your mind.

I paid the redemptive price for your sins; therefore, truth is restrained while mercy speaks of your benefits found in the new covenant. The promises made to Abraham are now yours as righteousness kisses peace instead of enforcing judgment's decree upon you. My blood has been offered for you. A worthy price has been paid, and now the freedom that was purchased by the worthy price springs forth with liberty as its wings. Soar with freedom as it flies out of the pit and is lifted by the wings of liberty. You are free. The restrictions that sin had placed on you are broken off. Sin had imprisoned you in impossibility's chamber; however, my blood paved a way to have the limitations of impossibility ruined. There are no locks on the doors of impossibility for you. All things are possible to you, for you are redeemed. I released you from impossibility's prison. You are now emancipated. I atoned for your sins, and now you are one with me. I am the truth; therefore, I am freedom. Am I free, and you subject to slavery?

Worship with all your heart and serve me with gladness. The gladness that you serve with shall be turned to great joy and the joy shall be your strength. Say, **"Goodbye to**

weakness." I have given you joy instead of weakness, healing instead of sickness, prosperity instead of poverty, and life instead of death. This is the day that I made. Now rejoice.

PROPHETIC INSIGHT

RE: RHEMA - Eternal Life Is Taking You to the Place of Rewards, Not to the Place of Rejects

Our determination is to hold fast to the profession of our faith in the face of the barrage of negativity. We have been designed for victory and not for defeat. God gave us the ground of solid standing and not the slippery mud of uncertainty. If God reaps where he did not sow, he will reap in abundance where the living word has been spoken. Goodness and mercy do not disappear even if we fail. They will stand and contend for us against every adversary that would try to cheat us out of the inheritance that belongs to the righteous. Blood has been shed and promises have been

sealed in covenants that will never pass away. What impossibility screamed would never happen now lies in our heart and lives in defiance of unbelief. We are not eating at the tables of weakness but at the banquet tables of strength. God will not cast away the investment he has made in us. His investment capital will bring forth at least one hundredfold in this world.

God gave me this word for the church service and it goes along with this Rhema.

"When you speak boldly of miracles, you are like a high mountain that attracts storms with much lightning and thunder. Do not fear these storms. Your supply is not from the atmosphere around you. It may be wet one day and dry the next. Your supply is out of the rock that never changes. Learn not to strike the rock in emotional highs and lows. Speak to the rock, and rivers of supply will flow in your life as always. Have I ever failed to water your thirst or supply your need? I will not fail you now! I have spoken this and will perform it. This is not just your desire or mind telling you what you desire to hear. I will show you that every letter of each word I have given you will be fulfilled. Do not be afraid. Fear is not your dwelling. My people do not wear fear well. They have been created to wear praise. Praise throws aside garments of fear and wears the bright colored clothing of faith. Anoint your head with the oil of rejoicing. Wear the garment of praise boldly today. You will sit at the table of promise and dine sumptuously!"

RE RHEMA - The Faith of Jesus Christ Must Be Activated If You Are to Soar into Heavenly Places

We live by the faith of the Son of God who loved us and gave himself for us. Faith works by love, not a sloppy, sticky, haphazard generality but a definite focus on those who would even nail us to a cross. Our Savior's love melted the heart of the Roman centurion when he saw the unconditional love that rained down on unknowing souls on one of the darkest days of the earth. Yet, it was the greatest degree of light that has ever shined upon the face of faith. In the midst of something trying to erase it from the earth, it merely engraved its message on the hardest hearts available and made them front row recipients in a display that they could never afford. We cannot buy faith anymore than we can buy grace. His faith operates in the life of those who have chosen

to throw caution to the wind and allow love to reach with the tender and yet powerful hands of faith in the hottest fires of judgment to save the most undeserving soul.

Our enemy is left in the dust while those who will ride in the chariot of love and take the wings of faith will fly into the dawn of hope. Love's hopes are fadeless under any circumstances that come. Its expectations are the trumpets that ignite the celebrations of heaven daily. God has come to wrap us in faith and not to allow us to become the meal of the creature of doubt. All the purveyors of fear will be removed into the distant shadows as faith clears its throat and declares it will rise above the den of the noise of the pits of faithlessness.

PRAYER OF THANKSGIVING

By Cindy Buford

May 4, 2008

Thank you, Lord, for the eternal life that has been placed in me. I am grateful because eternal life will not lead me to the land of rejects, but it will take me to the place of rewards. The mercy that has been given to me has blessed me and allows me to give mercy to others. I am in awe because mercy, truth, and righteousness are all working together for my good. You are true to your word, and you are faithful. The work you started in me you will also finish. I press toward the mark for the prize of the high calling which is in you. I am honored because you have made this day for me and placed goodness and mercy as my chaperones. My failures do not force them to disappear, but they go against every adversary that would try to hustle away my inheritance. I arise with gladness knowing that my debt of sin has been paid with the blood, and now I am free with the wings of liberty. The promises that were given to Abraham are now mine. These promises are sealed in covenants that will not pass away. No longer am I restricted or a prisoner of sin's chambers. Thank you for the grace that allows me to stand and profess faith in the midst of negativity. You created victory for me, and the great joy that has been given has become my strength. I worship you with a heart of gladness. You are glorified by my healing, prosperity, and eternal life. This day do I rejoice with a heart of thanksgiving and a mouth filled with praise.

PRAYER INSIGHT

By Don Grigsby

RE: PRAYER OF THANKSGIVING

Real faith is not ignoring reality. In II Kings 4, the Shunammite woman had a promised son that died. In the face of death, she did not ignore the problem but said, "**It**

shall be well!" We are to be like David and speak to the giant in faith that will lead to victory. 2 Corinthians.4:13 says that we have the same spirit of faith and therefore speak. Mercy has manifested the miracles that most only dream about in our lives. God is constantly on his mission of mercy in our lives doing things we can see and cannot see. It is sad that we fail to recognize the things that never befall us, and yet it is God who has built a restraining wall of protection around us. God's grace and mercy are greater than all our failures put together. In spite of our shortcomings, when we seek him and rejoice in his mercy, we are flooded with his promises.

THE WAY WE LIVE: BY RHEMA AND CONFESSIONS

PROPHECY

*This charge I commit unto thee,
son Timothy, according to the prophecies
which went before on thee, that thou by
them
mightest war a good warfare;
1 Timothy 1:18*

*Surely the Lord GOD will do nothing, but he
revealeth his secret
unto his servants the prophets.
The lion hath roared,
who will not fear?
The Lord GOD hath spoken,
who can but prophesy?
Amos 3: 7 – 8*

CONFESSION OF FAITH

*The word is nigh thee, even in thy mouth, and in
thy heart: that is, the word of faith, which we
preach; That if thou shalt confess with thy
mouth the Lord Jesus, and shalt believe in thine
heart that God hath raised him from the dead,
thou shalt be saved. For with the heart man
believeth unto righteousness;
and with the mouth confession
is made unto salvation.
Romans 10:8-10*

*Fight the good fight of faith
Lay hold on eternal life,
Whereunto thou art also called,
and has professed a good
profession before many witnesses.
1 Timothy 6:12*
