# Bread for the Children

*The woman was a Greek, a Syrophenician by nation;  
and she besought him that he would  
cast forth the devil out of her daughter.  
But Jesus said unto her,  
Let the children first be filled:  
for it is not meet to take the children's bread,  
and to cast it unto the dogs.  
And she answered and said unto him, Yes, Lord:  
yet the dogs under the table eat of the children's crumbs.  
And he said unto her, for this saying go thy way;  
the devil is gone out of thy daughter.

### **PROPHETIC BITES** By Moses Hightower

I sent you to speak on my behalf. If I had not sent you and you had not spoken Rhema in their ears, they had not had sin, but now they have no cloak for their sin. He that hates you, hates me also. I sent you to bear witness of the truth, and they refused you. You have done what I sent you to do. The truth has been preached, and the grace that I desired to give them has been prophesied. Do not think more highly of yourself because I have used you. Through the grace that has been given you, accept a right mind and by the mercies of God, present your body a living sacrifice, holy, acceptable unto God, which is your reasonable service. Do not be conformed to this world, but be transformed by the renewing of your mind that you prove what is that good, acceptable, and perfect will of God.

**RE: PROPHETIC BITE - #123**

Every prophet that spoke for the Lord was ridiculed and persecuted. All that men do cannot stop God's word from coming to pass. We are the vessels and the message is the Lord's. God will take care to watch over his word to bring it to pass. All the resistance is not ours to carry. God knows that we are his and he will give us the grace to not be weary in well doing.

## PROPHETIC APPRAISAL

### QUESTIONS THAT GOD HAS ASKED ME

By Moses Hightower

*(Continued)*

◆ You have received the promise of the Spirit through faith. Through faith, take up the true cross of a redeemed disciple zealous of good works. The joy of the Lord must be set before you. It must be greater in your life than the shame of your cross that you despise. You say that you do not despise your cross.

**29. Why are you weary?**

**30. Why are you nearly fainting in your mind?**

◆ You must preach Christ, the power and the wisdom of God. Enticing spirits roam the earth inspiring people to preach another Jesus. Submit yourself unto me, deny yourself, pick up your cross, and follow me daily, then shall the offense of the cross escalate in your life. Reckon yourself crucified with Christ, yet living because Christ lives in you. Reckon yourself crucified with Christ, yet living in the flesh by the faith of the Christ who loved you and gave himself for you.

**31. How will you decrease if you live by human faith and not the faith of the Son of God?**

◆ You have attempted to figure out the meanings for your deep hurts and pains. These pains were sent to keep you from exchanging the bloodline of a prince for the bloodline of a pauper. I must pass this royal bloodline on to others in the womb of faith. Inside of each of you, there is the promise of this bloodline that is to be passed on to someone in this life.

**32. *If you exchange this royal bloodline for that of the bloodline of a pauper, then what profit is that to a pauper desiring to escape his destination of death?***

◆ You have seen the victorious life of Christ and his blood. Now know of a truth that your life can be a life of victory and success because of your new bloodline. You will not become any greater than the life preserved for you as one with the bloodline of Christ. I am your Father, and you have my blood. An enemy desires to sever this relationship by lying promises of liberty, which lead to death and a breaking of the royal bloodline that you have inherited. False promises authored by the prince of the power of the air are not liberty.

**33. *Satan is a servant of corruption. Then how can he promise you liberty when he is destined for a lake of fire?***

## **PRAYER & INSIGHT**

### **PRAYER OF THANKSGIVING**

**By Michael Hannah**

I rejoice and give you thanks O Lord, for you did not design me to hate or to be bitter. You have not allowed me to remain in unforgiveness. I now have the continual grace of your kingdom working for me mightily. My heart is thankful because you are the God of all grace, and you are able to make all grace abound toward me. I am grateful for your hedge of protection that prevents me from going down the path of distraction. Thank you for keeping my focus on your face. As I allow the beauty of your grace to replace the ugliness of sin's shame, the looks and the words of others will not bury my faith and love beneath an avalanche of uncertainty. I purpose to adorn myself with the garment of praise that my heart would be filled with the words of grace that flow from you, the lifter of my soul.

Each day that you speak to me is special. For it is written that man shall not live by bread alone but by every word that proceedeth out of your mouth. This same word that I live by will cease the winds of unbelief to fan any fire of fear in my mind or in my heart. I rejoice today because your kingdom has come unto my life with all of its power and provision. I am elated that your grace is an oasis. Now I commemorate your word and know that it is exalted forevermore. In the midst of all negativity and unresponsiveness of men's words of debate and strife, your word has foretold of my victory. I am designed to love and be filled with joy; therefore, I will walk on boldly across the bridge that grace has established for me. I will shake off the words of others like a serpent thrown into the fire of your inspiration. I thank you for your great grace, my God. Hallelujah!

## **PRAYER INSIGHT**

**By Don Grigsby**

### ***RE: PRAYER OF THANKSGIVING***

Words and images from all directions will distract me if I give them heed. We must be like the Nehemiahs of the Bible and refuse to speak or entertain speeches that take us away from God and his promises in our lives. Jesus cast out devils and did not allow them to speak because he knew them. Many things that affect us need to be silenced in our lives because we know how they will diminish our faith and joy. Our heart and mind must be constantly focused on the One who has begun and will finish our faith in eternity. Thoughts, words, and actions of others that will try to get me to turn aside in my life are not worth the time to pay them attention. We have better things to see and hear in prayer and worship to the King of kings!

Continue prophesying according to the proportion of faith. Show mercy with cheerfulness, and allow your love to flow without dissimulation. Be kindly affectionate to others with brotherly kindness, in honor, preferring one another. I separated you from your mother's womb, and now I separate you unto myself for these last days. Come aside from the noise of brethren, and listen to the call of grace. I will reveal myself in you and those who follow you that you may preach me among the people of the world. Cease conferring with flesh and blood, and come and reason with me. I will make you a mighty fisher of men. If you go in the path of men, you will miss the outpouring of my Spirit upon the hungry and the thirsty. Many people have not heard the Rhema from your mouth because men have alienated you from the people in your fellowship. I will send you in another direction that the multitudes that I have chosen to hear the Rhema word will be blessed by the words of my mouth.

***RE: PROPHETIC BITE - #124***

Prophecy should be creative and edifying. It is the one tool that was given in the Spirit to build up the kingdom around us and in others. Encouragement and assurance will heal the hurting and the wounded. Many will come to the church for healing and deliverance in this hour. Our greatest asset is that we have a word from the Lord that will make them whole.

## QUESTIONS THAT GOD HAS ASKED ME

By Moses Hightower

*(Continued)*

◆ The rules of love shall hold your broken places while they heal. The bandages of comfort shall secure your weaknesses while they are being strengthened. Do not worry about the prize in the distance. I am interested in your recovery, not just in your participation and contest for the prize of the high calling.

**34. *What profit is a pursuit of a prize if your destiny is sealed in the valley of those who perish?***

◆ I have brought you to the kingdom for such a time as this. Many have been called, yet few are chosen. There is not much time left. The actors of this world are living out the designs of the rulers of the darkness. Those held captive do not know that they are held captive. Only the gospel will reveal that they are held in the prisons of darkness. Go and shine the light to make them aware that they are in bondage and not free.

**35. *You say how can you do this?***

◆ Drink of my blood and eat of my flesh again, then be revived. The spirit of disloyalty runs rampant in the earth. The spirit of the age drives and works mightily in the disobedient to bring my people to the bargaining table of betrayal. Humble yourself under my mighty hand that you are not taken by the spirit of the prince of the power of the air. Pray that you do not enter into temptation. Pray always that you are counted worthy to escape the things that are coming upon the earth.

**36. *Why are you in the world?***

**37. *Are you in the world to save your life or to lose it?***

◆ You have a cross. Now carry it all the way. Lift up your voice in praise, and be strengthened by the virtue of divinity that is in you. I died in your place and did already let you go. Barabbas was released, and he was a murderer. In the courts of man, a murderer was released, and I was sentenced.

**38. *How much more shall you be released from guilt and condemnation, for I carried the weight of all these things?***

## PRAYER OF THANKSGIVING

By Cindy Mesa

I offer praise for the grace that has been supplied to me this day. Love escorted me into your presence and hid me from my enemies and their accusations. I am overwhelmed at the calling you placed upon my life and in awe knowing that the gift and calling are without repentance. I will not speak the words planted by fear. I will simply open my mouth and you will place the words upon my tongue. I will not be distracted by the issues brought on by men. I am at peace in knowing those that take up a fight against me will not prevail, for you are my deliverer. It is an honor to be called to labor with you to win the lost. I don't have to concern myself with how your grace will deliver the lost, but the prayer of faith will create the steps that will bring them higher as the angels carry them to their deliverance. Thank you for this great gospel that will resurrect those that have been buried by sin. You are my hiding place and my strong tower, and I will bless your holy name.

## PRAYER INSIGHT

By Don Grigsby

### **RE: PRAYER OF THANKSGIVING**

**Our tongue** in the Hebrew is the word **lashon**. Its letters stand for **the tongue set on fire with the life and action of the power of God**. Fear would come to bury us, but faith has come to baptize us with the living hope that makes us lively stones. We are fountains of living waters that cannot be stopped up with the dirt or debris of the doubts and dilemmas of today and tomorrow. I am free by the liberty that I speak to others and into my own life by the power of the Holy Ghost.

***“Beware of Making Things Sin That God Has Not Declared Sin”***

### **PROPHETIC BITES** By Moses Hightower

I am rich in mercy, for my great love wherewith I have loved you, even when you were dead in sins has quickened you together with Christ. I saved you by grace, raised you up together, and made you sit together in heavenly places in Christ Jesus that in the ages to come I might show the exceeding riches of my grace in my kindness toward you through Christ. It is by grace that you are saved through faith and that not of yourselves. It is the gift of God, not of works lest any man should boast. Beware, that you are not entangled in legalism in these last days. Beware of making things sin that I have not made sin, for where there is no law, there is no transgression. You will reap the wrath of God on yourself and those who follow you because you will make faith void and the promise of none effect. Remember, the promise that Abraham should be the heir of the world was not to him or to his seed through the law but through the righteousness of faith. If they that are of the law be heirs, faith is made void and the promise made of none effect because the law works wrath, for where no law is, there is no transgression. Hear my words. I make you free from the legalities of men. You have not won many souls because of this entanglement with things that I have not made sin. A little leaven leavens the whole lump. Lay aside your pride, and come walk with me by faith. I will show you new pathways of liberty.

***RE: PROPHETIC BITE - #125***

Mercy and grace have been the fountain of cleansing that the Lord has opened in the prison houses of those who are bound. Condemnation will never change a heart in the prison for they are already condemned. Legalistic approaches only bring bondage and fear to those already tormented by every kind of fear. Even anger itself is the fear of being unfulfilled or being treated in an unjust manner. We have been called to proclaim liberty and not pronounce liability. Love will loose the captives with a freedom to obey the Lord, for it is his love that constrains us. People on the outside of prison are in bondage the same way. We have the keys and we will speak their freedom on the scrolls of their hearts and minds.

**40. *Where is your love and what will you give in exchange for that which is real if you do not know its meaning?***

◆ I have come to empower you with more grace that you might truly know me in the power of the resurrection. The power of the resurrection shall not fade in this hour of trouble in high places. I am the King of your life. Submit yourself totally to me, and I will show you the magnificence of the resurrection. I am the resurrection and the life. Look to this great power in you. It has been made available to those who believe. I have brought the power that raised Christ from the dead and placed it inside of you. I am the way, the truth, and the life.

## PRAYER OF THANKSGIVING

By Marco Mendoza

I am so thankful, Lord, that the same Spirit that spoke in the beginning of time is speaking through me in the gifts of the Spirit. My soul is refreshed because I know the spiritual fires that burned on the top of Carmel are the same fires that are shut up in my being and are speaking in me today. I am comforted by the reality that all scripture was given by your inspiration and you do not change. You moved upon holy men and they spoke your word before it was ever written. I am grateful that I have the same Holy Ghost and fire that set their tongues on fire. I am honored that the same voice that called the light out of the darkness and created light is the same power that is illuminating my heart with revelation today. I can say with assurance that I have a more sure word of prophecy and for this I give you praise. I have seen and read hundreds of prophetic words that men did not understand themselves, but they came to pass. Knowing this brings delight to my spirit, and I will be bold to speak your word and not be afraid that it will not come to pass. You are so faithful and true. What you speak through me will come to pass. I am thankful and always pray that I may always access the grace to never allow your precious word to fade from my memory or mouth.

## PRAYER INSIGHT

By Don Grigsby

### ***RE: PRAYER OF THANKSGIVING***

God has chosen us to have a tongue like the pen of a ready writer. We are epistles that are read and known of all men. We are not written with pen and ink but by the Spirit of the living God. Passages of prose and poetry have been written by men that will do nothing for the inner man. We have been positioned in this hour to speak the creative word into the lives of those who are injured and have no hope. God has sent us forth to speak not only to ourselves but to those who have never heard the music and felt the fire of his love and creative power. As we exalt him and allow the word of life to flow through us, we will be the priests and prophets that God has designed us to be.

**PROPHETIC BITES**  
By Moses Hightower

My loving-kindness is enough for you in this hour of failure and a great falling away. I have more than a legal obligation towards you. I have generously expressed my mercy and loyalty toward you. My love toward you is steadfast. I am faithful. I have given you an everlasting covenant and the sure mercies of David. My kindness toward you is far beyond any legal agreement; therefore, I will always be merciful to you. Be merciful to others, and love it. You needed redemption from all the things that were against you, and I abounded toward you in loving-kindness. My love will last forever. It will preserve you and cast out all your fears. I have called you and chosen you. I do not forsake my covenant because you have been unfaithful. Although you will be disciplined for your unfaithfulness, you can count on my faithfulness. I will abundantly pardon you and have mercy upon everyone that returns unto me. My thoughts are not your thoughts, neither are your ways my ways, for as the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts. I have sent my word out of my mouth, and it shall not return to me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

**RE: PROPHETIC BITE - #126**

God will never be unfaithful to his people. We have a covenant relationship with him. Jesus Christ has yoked himself by promise and by oath to us. Many have misunderstood the oath in **Hebrews 6:14**. **Elohim** is the name of God in **Genesis 1:1** and it means **the strong one who swears by himself**. The first part of the word is spelled with the **aleph** and the **lamed** that means **he is the ox** as in **Ezekiel 1**; that is the strong one in the yoke with us to pull the wagon of promise. When we are weak he is strong. Even the word for oath has the idea of God being yoked to us in covenant promise. In **II Timothy 2:13** we are told that if we believe not that HE abideth faithful, he cannot deny himself. **Deny** here in the Greek is from the word that means **to unlamb**. In other words, he will never go back to the cross and say we are not worth it even if we reject the sacrifice. He will never unlove us!

# PROPHETIC APPRAISAL

## QUESTIONS THAT GOD HAS ASKED ME

By Moses Hightower

*(Continued)*

◆ Do not lean to the distractions vented against you. These distractions have not come as revealed weapons, but they have come in the power of all deceivableness. The enemy desires to see your effect against him crystallized by your double-mindedness. Remember Lot's wife.

**44. How will you continue a journey of faith while beholding the loves of the past?**

**45. How will you walk in a path of righteousness for my name's sake while loving the pleasures of this life?**

**46. How will you walk a sanctified walk while drawn by the lust of the eyes, the flesh, and the pride of life?**

◆ Where your heart is *there* will your treasure be also. Give your heart to me, and I will give you an exchange of currency that will not fall in the wake of the gravitational forces of lust and pride. If you give yourself to the gravity of lust and pride, then you will enter into a war with me. Friendship with the world is enmity against me, and all that is in the world is the lust of the eyes, the lust of the flesh, and the pride of life. He that is the friend of the world is the enemy of God.

**47. Will you defy my love and my word and not be drawn into the hands of the living God for judgment?**

◆ It is a fearful thing to fall into the hands of the living God. Fall at my feet and be subdued by grace, then will you be lifted by the resurrection and its power. Continue in the path of lawlessness without submission to my will, and you will come to the end of your mercy. My mercy endureth forever, but those who do not keep the covenant of grace forsake their own mercy. Listen to my voice, and hear the sound of grace in your ears. Grace has sounded in your ears and brought waves of victory.

**48. Will you forsake victory and abide in the light of peace?**

## PRAYER OF THANKSGIVING

By Michael Hannah

Lord, I am so thankful today that in the midst of the terror and danger in the land, I do not have to fear. The same way you were with Joshua, you will be with me; therefore, in the face of the fright of the day I will be strong and of good courage. I am elated to know that terror and danger cannot penetrate the light of the abundance of your grace as I rest on your everlasting arms. I am victorious and more than a conqueror through you. My inheritance of your promises disallows the arrows that fly in the day and the diseases that prowl through the darkness. I remember that you have met these situations before me and conquered them. I remember that I am here to seek and to save that which is lost. Now, I have confidence, strength, and courage through you to crush every terror under my feet and slay it with the prophetic sword of my mouth that no man will be able to withstand against me all the days of my life. I will go and shine the light of your death, burial, and resurrection. It is your power being manifested in the earth today and forever. Hallelujah!

## PRAYER INSIGHT

### ***RE: PRAYER OF THANKSGIVING***

Mature love has slain its beasts just as wisdom has slain her beasts. Terror is a beast that needs to be slain. Just as God gave the lion and bear into the hand of David, so has he given the complete victory over terror to those who are filled with the love of God, which is the Holy Ghost. If the Holy Ghost is power from on high, then that power is not limited to victory over sin. Holy Ghost power is also power to crush terror and fear under our feet!

### **PROPHETIC BITES**

My going forth is prepared as the morning. I have come forth unto you as the rain. Be merciful to others as I am unto you, for I desire mercy and not sacrifice. Many people who call themselves priests murder the names of the innocent. This is lewd. There is whoredom among the people, for the horrible things of idolatry are committed without a conscience that is grieved. I will bring conviction in the midst of my people again. By the mercies of God, conviction will grasp the hearts of the people again. I am the Lord, who is merciful and gracious, longsuffering, and abundant in goodness and truth. You have found grace in my sight. I desire to give this same unmerited favor to others though they are stiff-necked. Many of my people are covetous and idolatrous. I am a jealous God, for my name is Jealous. They cannot worship any other god. They call upon me, but their hearts are far from me. Go and declare my realness and the need to repent.

The Lord's going forth is prepared as the morning. He has come forth unto me as the rain. I will be merciful to others as God is unto me, for he desires mercy and not sacrifice. Many people who call themselves priests murder the names of the innocent. This is lewd. There is whoredom among the people, for the horrible things of idolatry are committed without a conscience that is grieved. God will bring conviction in the midst of his people again. By the mercies of God, conviction will grasp the hearts of the people again. Jesus is the Lord, who is merciful and gracious, longsuffering, and abundant in goodness and truth. I have found grace in his sight. He desires to give this same unmerited favor to others though they are stiff-necked. Some of God's people are covetous and idolatrous. He is a jealous God, for his name is jealous. They cannot worship any other god. They call upon the Lord, but their hearts are far from him. I will go and declare God's realness and the need to repent.

**RE: PROPHETIC BITE - #127**

Blessed are the merciful for they shall obtain mercy. In a literal translation it might read extremely happy are the merciful for they shall obtain mercy. On the other hand, it could be said that extremely miserable are the unmerciful for they will always be miserable. When I look at the records of murderers and child molesters, and see God fill them with the

Holy Ghost, and allow their sins to be washed away in the name and the blood of Jesus; I could never stand up and say that they should not receive mercy. Mercy is the greatest treasure that we have to give to others outside the truth of salvation.

◆ I have not come to you in the manner of men, but I have come as the God that I am. I have not violated your privacy, neither have I forced you to enter into this throne room of grace. ## PRAYER & INSIGHT

### PRAYER OF THANKSGIVING

By Milton Rodriguez

Your love has been shed abroad in my heart by the Holy Ghost. I celebrate you, Lord, for the revelation of your love and its awesome power. I rely wholly on your perfectly complete and fully developed love to abolish every particle of fear from my life. I trust in your everlasting commitment to me. I worship you for your unending and unchanging love for me. You are not a promise breaker, but you are the only promise keeper that has kept every promise you have made. Lord, I rely on you to save me from whatever shall be and to provide me with everything I need to succeed in life. I trust in your upright walk and righteous life for my salvation; therefore, condemnation has lost its power over me. You have not appointed me unto wrath, but unto everlasting life through Jesus Christ. Now through the faithfulness of Jesus Christ I can transform my negative, oppressive situations into positive stepping stones of victory. I have faith in you and in your word. I believe that everything is working together for my good.

#### **RE: PRAYER OF THANKSGIVING**

**Psalm 121:3** states that he that keepeth thee will not sleep or slumber. In the Hebrew the word **keep** or **keepeth** is the word **shammah**. It is the word picture of the shepherd that is out in the far pastures beyond the normal sheepfold or corral. In that open place beyond the walls of defense for the sheep, the shepherd will take thorn bushes and build a corral for the sheep that will keep away all the predators. Fear is one of the predators of our mind. No wonder he wore a crown of thorns about his head so that our minds would be kept from the predator of fear!

### **PROPHETIC BITES** By Moses Hightower

My grace has always been sufficient for you. Have you come to this point in time to doubt my grace?

Do not allow doubt to enter into your heart. My grace is truly sufficient for you. Grace entered into your life to perform a complete work, and grace will never exit your life. I have given you the ability to finish what I have told you to do. This is not a fellowship thing that I have given you to do. You are on assignment from me. It is a holy calling. I am pouring more grace into your life that you may accomplish things that are not possible by your own ability. I am able to make all grace abound toward you, that you, always having all sufficiency in all things, may abound to every good work.

Look to me. I am the author and the finisher of your faith. I am living my life out in you. Just as I came and successfully finished the work that I started in my own body, I will finish the work that I have started in you. Do not doubt. I have sent all things that pertain unto life and godliness into your life when you were born again. My divine power has supplied you with all that you need. Go to nature, and learn of the ability given there to all of the creatures in existence. I created every creature so that they may adapt to their environment. Have I not created you to live successfully in your environment?

Grace was poured from his lips. Never had men heard such gracious words. Yet, God has given us a mouth and wisdom to speak his words to do the same works that he did and greater. If his word was full of grace in truth, then ours will of necessity be the same. His word will not return void for it will accomplish the purpose that he sent it to perform. We are told that we are complete in him. The word **complete** is the Greek word **teleos**. It is seeing the end of the process and the project. God will complete his work in us and will sweep us into victory during the process.

◆ I am ministering in you. You are a vessel, but I am the minister of the sanctuary. Look up to the minister in you. Look upon the visible expressions of your Father.

**54. How will you show forth true actions of faith if you do not behold the actions of the Father within you?**

◆ I have allowed the hurts to come. I have allowed the misunderstandings to come.

**55. How would you fall upon this rock if you were not in your present condition?**

◆ True faith is in you. True faith has not come to the threshold of revival and turned back. True faith has no reverse, for true faith overcomes all things. If you believe, then all things are possible if you truly believe.

**56. With men, things are impossible, but with me, all things are possible. Is anything too hard for me?**

◆ Keep my commandments that it may go well with you and with your children, and then shall your days be prolonged upon the earth.

**57. If you serve yourself now, will self deliver you in your time of tribulation?**

◆ Be honest with yourself and humble yourself. You are proud. Look upon yourself with a sincere heart, for you will not be able to stand during the time of this great pressure and anguish without humility.

## PRAYER OF THANKSGIVING

By Thelma Hightower

Lord, I am thankful that you have not left me ignorant of Satan's multiple traps and deceptive devices. Help me to recognize any attacks that Satan may plan for me. Keep me in my right mind so that I will not be deceived. I am thankful to have been baptized with victory and triumph; therefore, I am blessed. Your grace has allowed the light of revelation to shine in my life in the midst of the darkness that Satan would like to immerse me in. I am grateful that I can lay aside my thoughts and adopt your thoughts which are higher than mine. Thank you for the confidence that you arm me with no matter what circumstances or events come my way. I am confident and assured that no weapon formed against me shall prosper. Lord, remind me not to question what you do in my life but to accept it although I may not understand. I know that you know what's best for me; therefore, I relinquish my entire life unto you. Teach me to love you and trust you. I appreciate your love for me and am grateful for the price that you paid to redeem me from my sins. You are an awesome God!

Satan will always try to arrange the events and circumstances of our lives that appear to be negative for his advantage over us. God has given us the advantage over Satan with a mind that is armed by the Spirit with confidence, joy, and peace. Our minds are kept by a peace that is the ultimate Shalom of God. Shalom has much to do with the restoration or repayment of that which the thief has taken. Even if it appears that the enemy has taken from us, we will have it restored to us seven times over.

For you to live after the flesh is as futile as fish attempting to live outside of water, for I created you to live after the Spirit. My people are attempting to live after the flesh and expecting the rewards of a spirit-filled life. Go and teach my people how to live after the Spirit. I have designed you to fast and pray, but you do not access the natural ability placed within you at your new birth to fast and pray. This ability is not accessed without the crucified life of Christ. You must be crucified with me that I might live my life out through you. Hear the voice of Paul as it echoes in your ears, ***“I am crucified with Christ, nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.”***

Do not frustrate the grace of God by living by laws, for if you do, you shall make my death for you a vain thing. If you would only allow your natural instincts to be manifested in you to care for your young, then many more of them would reach maturity. Go to nature, and study how the young are naturally nurtured. Too many of the young die by the mouth of spiritual predators; therefore, I am sending you to diminish this great loss among my people

**RE: PROPHETIC BITE - #129**

Paul gave us the pattern of living when he told the Galatians that he was crucified with Christ but that he lived as allowing the One who loved us to live in him by his faith. God's love is shed abroad in our hearts by the Holy Ghost. Faith works by love. Faith and love will work in our lives to forge a strength that will love even when it is rejected and yet it keeps on loving. When the prodigal left the father did not sell out and move away from the pain of his son's departure. He stayed right there waiting for his return and ran to embrace him in all his filth and smell. God does the same for us, and we should do the same for all those in the church around us.

◆ Many promises lay along the roadside of your mind in the dust of carnality and unbelief. Rise up and dust off yourself with the fervent expressions of praise and worship. Rise up this day, and behold the effect of faith expressed in the due season of blessings. Due season is here. You are looking into the future and the yesterdays of the past. Look to this day, and behold the power of salvation working on your behalf. Salvation came and brought the ransom price for sins.

**59. *Is salvation unable to bring the benefits of the ransom price?***

◆ Lift your heart to me, and then will your ears and your eyes be lifted. You must go beyond what you say with your lips and what you do in your body. You must actualize these things in your heart first. Receive my righteousness and cast down your self-righteousness. Cast away your rags of filth, and be washed with the fuller's soap of love and the washing of regeneration.

**60. *I am pouring out my Spirit, but have you come to the shower or to your face bowl of carnality?***

◆ I am your covert from the searching things of the hour. As I did not allow you to plunge to the bottom of the canyon of ignorance, I have also kept your feet from falling and given you more grace in the time when many are falling. Lift up your voice and offer sacrificial praise. Praises that do not cost you anything are also worthless praises unto me. I desire effectual, fervent praises that are poured out unto me as precious water that you have risked your life for.

**61. *Why offer me anything that did not cost you something?***

**62. *Am I a god, or am I the living eternal God?***

◆ If I am God, then predicate your worship upon my worth and not upon your feelings and blessings.

**63. *You must decide to worship me according to my worth, but how will you effectively worship me if you have not discovered that my worth is not calculable?***

## PRAYER OF THANKSGIVING

By Rashall Sanchez

Lord, I thank you for blessing me and purifying my heart so that I may see you. I thank you for not only cleansing my heart, but for giving me a sincere heart. I am so grateful that you are restoring in me raw honesty with you, which is the best type of prayer relationship. I am so humbled that you love me and that you accept my raw honesty and do not rebuke me when I express my frustration, anger, and attitude to you. I am so glad that you know that I am flesh and that you heal me in my pain and helplessness. I am glad to know that you will take the empty containers of my human emotion and fill them with the fullness of the supernatural and the miraculous. Thank you for giving me the grace to empty myself out to you so that you can fill me with more of yourself.

I worship you in the beauty of holiness and offer great thanks for the spiritual sincerity that you have placed inside of me. I rejoice today because this spiritual sincerity that you have given me will be the giant steps that take me over the boundaries of normalcy and into the supernatural realms of the unseen, the realms of true faith. I am grateful today that you have given me true sincerity, and that sincerity is the anointing that breaks the yoke and hurls me into the arena of fresh revelation. My heart is so excited and overjoyed, for I know that out of this sincerity I will see you in a light that obscures and excludes everything else from my vision. I am so thankful that you have blessed me and caused me to be truly happy beyond my dreams. I rejoice today because you have caused me to take off mourning and put on dancing. You have given me the strength to cast off the yokes of my own endeavors and become obsessed with all that you are doing and that you are about to do in my life.

## ***RE: PRAYER OF THANKSGIVING***

Sincerity is the raw honesty that opens the knowledge of God. **Proverbs 3:20** declares that by this knowledge are the depths broken up. Paul details in the book of **Corinthians** that the spirit of man is the avenue of the deep things of God. Our greatest dimensions in God are yet to be experienced as we are able to move in pure and utter sincerity into higher places in Jesus Christ. We are lifted above the mundane by the power of the joy of our worship. Our flesh melts as we step through the veil that has been rent for us into the oblivion of ecstasy that transcends all mortal understanding. If we ever traverse this realm, we will be like Enoch and walk out of our world into God's world, never to return to ours the same.
