# Bread for the Children

***The woman was a Greek, a Syrophenician by nation;  
and she besought him that he would  
cast forth the devil out of her daughter.  
But Jesus said unto her,  
Let the children first be filled:  
for it is not meet to take the children's bread,  
and to cast it unto the dogs.  
And she answered and said unto him, Yes, Lord:  
yet the dogs under the table eat of the children's crumbs.  
And he said unto her, for this saying go thy way;  
the devil is gone out of thy daughter.

***Beware of Men of Your Own  
Selves, Speaking Perverse Things  
Fashioned with Philosophy, Vain  
Deceit, and the Tradition of Men***

**Series 7.1.19 – Letter #19**

My sheep hear my voice. An enemy conspires to make you doubt the voice of the Almighty. Do not be drawn away by doubt, neither be troubled by the adversary that bombards your mind with fear. Allow my love to force out fear. Have total confidence that I have not changed my mind in this war for your soul. I am faithful. I am your friend and Father. I have not given you a serpent or a stone or a scorpion. I have given you a relationship. The enemy of your soul has skillfully designed tactics to destroy this relationship. Condemnation is his chief tactic. There is, therefore, no condemnation to you, for you walk after the Spirit. He entices you to walk after the flesh that he may condemn you and bring you into an unfruitful walk full of corruption. Have faith in me, and believe that I have given you grace to follow after me in the Spirit.

I am leading you as a Father leads a little child. Now trust as a child, and do not be corrupted from this simplicity. As Eve was beguiled, so are many being beguiled in this hour. Do not allow your mind to be corrupted. You must love me with your entire mind. I am jealous over you, for you are espoused unto me. Consider yourself as a chaste virgin to me. The enemy makes empty promises filled with deceit. His weapons are philosophy, vain deceit, and the tradition of men. Beware, lest you are spoiled. Other doctrines are being presented that are pleasant to the eyes and designed to make people think that they are wise, whose eyes come open to lies. Beware of the beguiling of the serpents.

I have opened your ears to hear my word. You understand my speech, for I have given unto you a heart to understand. Unto you, it is given to discern the voice of the devil from my voice. When the devil speaks a lie, he speaks of his own, for he is a liar and the father of it. Remember that the devil is a murderer and does not abide in the truth because there is no truth in him. Hear my words. You are of me; therefore, you hear my voice. Adam was not deceived, but the woman being deceived was in the transgression. Beware of spirits coming to your wife in an attempt to deceive her. If she is deceived, the enemy will attempt to lure you into a fall because of your love for your wife. The devil will deceive the whole world; therefore, I am abbreviating the days so that some flesh shall be saved. Many false Christs and false prophets have risen. They are showing great

signs and wonders. If it were possible, they would deceive the very elect. I tell you again, as I have told you in times past, beware and take heed unto yourself and to the flock over which I have made you an overseer. Feed my sheep, which I have purchased with my own blood. Grievous wolves have entered in among you, and they will not spare the flock. Among you have risen men of your own selves, speaking perverse things to draw disciples after themselves; therefore, watch. I commend you to the word of my grace and admonish you to renounce the hidden things of dishonesty. Do not walk in craftiness, neither handle the word of God deceitfully.

### ***Words of Light upon the Face of Adversity, Condemnation, Corruption, Deception, Doubt, Fear, and Lies***

**Series 7.1.19 – Confession #19**

God's sheep hear his voice. The enemy conspires to make me doubt the voice of the Almighty. I will not be drawn away by doubt; neither will I be troubled by the adversary that bombards my mind with fear. I will allow God's love to force out fear. I have total confidence that God has not changed his mind in this war for my soul. God is faithful. He is my friend and my Father. The Lord has not given me a serpent or a stone or a scorpion. He has given me a relationship. The enemy of my soul has skillfully designed tactics to destroy this relationship. Condemnation is his chief tactic. There is, therefore, no condemnation to me, for I walk after the Spirit. The devil tries to entice me to walk after the flesh that he may condemn me and bring me into an unfruitful walk full of corruption. I have faith in Christ and believe that he has given me grace to follow after him in the Spirit.

The Lord is leading me as a Father leads a little child. I will trust as a child and will not be corrupted from this simplicity. As Eve was beguiled, so are many being beguiled in this hour. I will not allow my mind to be corrupted. I purpose to love God with my entire mind. The Lord is jealous over me, for I am espoused unto him. I will consider myself as a chaste virgin to God. God has opened my ears to hear his word. I understand his speech, for he has given unto me a heart to understand. I have been given the ability to discern the voice of the devil from the voice of God. When the devil speaks a lie, he speaks of his own, for he is a liar and the father of it. I will remember that the devil is a murderer and does not abide in the truth because there is no truth in him. I hear God's words. I am of God; therefore, I hear his voice. Adam was not deceived, but the woman being deceived was in the transgression. I will beware of spirits coming unto those close to me in an attempt to deceive them. If they are deceived, the enemy will attempt to lure me into a fall because of my love for those close to me. The devil will deceive the whole world; therefore, God is abbreviating the days so that some flesh shall be saved. Many false Christs and false prophets have risen. They are showing great signs and wonders. If it were possible, they would deceive the very elect. God tells me again, as he has told me in times past, I should beware and take heed unto myself and to the flock in which God has made me a part of. I will feed his sheep, which he has purchased with his own blood. Grievous wolves have entered in among us, and they will not spare the flock. Among us have risen men of their own selves, speaking perverse things to draw disciples after themselves; therefore, I will watch. The Lord commends me to the word of his grace and admonishes me to renounce the hidden things of dishonesty. I will not walk in craftiness; neither will I handle the word of God deceitfully. This I believe.

## PROPHETIC INSIGHT

By Don Grigsby

***RE: RHEMA - Beware of Men of Your Own Selves, Speaking Perverse Things Fashioned with Philosophy, Vain Deceit, and the Tradition of Men***

Perfect love casteth out fear. Men have always leaned on the staff of fear when they feel their own control and insecurity. Fear does not produce faith or love for our relationship with God. Emotion is never a good ground to build our lives upon. It will always be shifting sand. Perversion is taking something and changing its intended use to fit our own selfish purpose. When men seize the authority that is around the things of God and use it to hold captive the people of God to threats of fear and destruction, this is a gross misuse of the power of God that was displayed on the cross. Churches in history held over the people many forms of purgatory to keep them in line. Law and its judgments never brought Israel into a relationship with God. Grace has abounded to us to set us free from the bondage of the traditions of the Pharisees and Sadducees. Eve was beguiled by perverted wisdom. Satan used reverse psychology, insinuating that God did not want her to be wise. Some knowledge is not worth having. Its depth of filthiness is corrupt with its cheap words and slogans. Traditions breed cute slogans when we should have a fresh

word everyday from the Lord. A Rhema ministry brings us new things everyday and not the stale, polluted waters of a pond that has no outlet. Satan speaks lies, and men speak riddles that are not as good as Samson's. We are not in the flow of lies and riddles but the understanding of the words of truth that make men free.

### PROPHETIC BITES

By Moses Hightower

I am the stone of stumbling and the rock of offense. It is my breath that is blowing away these things. If you have reached to hold onto that which I am blowing away, then you will soar into chaos with the ungodly. The ungodly are not so, for they are as the chaff which the wind drives away. I am terminating these things. Place your hope in the kingdom of the Stone, for of the increase of my government and peace, there is no end.

Jesus is the stone of stumbling and the rock of offense. It is his breath that is blowing away these things. I will not soar into chaos with the ungodly, for I will not reach to hold onto that which the Lord is blowing away. The ungodly are not so, for they are as the chaff which the wind drives away. God is terminating these things. I have placed my hope in the kingdom of the Stone, for of the increase of God's government and peace, there is no end.

**RE: CONFESSION OF FAITH - Words of Light upon the Face of a Dark, Mysterious Trial**

*I was fighting a mental battle about some things that needed to happen but were not moving at all. This is what the Lord shared with me.*

***I am not a captive of the time that you struggle and wrestle with. Rise up and seize the day. Refuse to allow it to be the master of your thoughts. I am in time and yet beyond time. All the offending and opposing forces shall never overthrow the eternal power that is in you. You are the child of the resurrection. Resurrection is before time, in time, and after time. I am the abiding river of victory that never ceases to flow, with more than today. Refuse to allow your experience to be turned into a relic of time. Allow your cup to run over with the anointing of the hereafter. My servant John came to understand that the hereafter is that which you think will come sometimes after now, but the after is here now. When Joel looked at the threshing floors that would run over, he was seeing that all the experiences of the past and present would soon overflow with more than tomorrow could hold. As David my servant had his cup to run over, then all his days became a past of the future that had run over in the cup of his today!***

*(Remember surely goodness and mercy will follow me all the days of my life.)*

***Allow me to wash away the feelings of inadequacy by the floods of tomorrow. Delinquencies and deficits of today are defeated by the anointing of my eternal power. Tomorrow will come into your life and depose the imposters and frauds that are trying to occupy the thrones of your today. My people need to become proactive rather than reactive. Spiritual terrorists will always defeat you as long as you wait for something to happen. I have placed within you the power to create the tomorrow that will exclude the terrorists of the spiritual arena. Even though it is not recorded this way when I spoke to John and spoke of the hereafter, I was indicating that it was not over, but the after had just arrived in the midst of the floods of here and now. What has been behind you will meet the victory that is here to defeat it now!***

# PROPHETIC QUESTIONS

## QUESTIONS THAT GOD HAS ASKED ME

By Moses Hightower

*(Continued)*

◆ You can of yourself do nothing. All of your righteousness is as filthy rags. Give me your filthy rags, and I will exchange them for the justification you have left behind.

**369. How will you continue in the narrow way without justification by faith, which is in me?**

◆ Rise up, and behold the effect of faith expressed in the due season of blessings. Due season is here. You are looking into the future and the yesterdays of the past, but look to this day, and behold the power of salvation working on your behalf. Salvation came and brought the ransom price for sins.

**370. Is salvation unable to bring the benefits of the ransom price?**

## PRAYER & INSIGHT

### PRAYER OF THANKSGIVING

By Tony Johnson

I am so thankful that you have given me eyes to see your wondrous works and ears to hear your voice speak with clarity. When fear tries to grip my heart, I am confident in your perfect love that overcomes and casts it out each and every time. I worship you, the Almighty God, for building my foundation upon the Rock of Ages and not on the shifting sands of emotions. I am overjoyed every time I think of the relationship you have fostered with me. You are a friend that sticks closer than any brother, and more than that, you are my Father. Your grace is amazing, and it has abounded toward me with a power that has loosed me from the bondage of tradition, and for this I am so thankful.

As I hold on to your faithful hand, I take comfort in knowing that you are leading me in the paths of righteousness for your name's sake. Lord, grant me the grace to stay in position by your side and keep me from the subtle beguiling spirits who seek to destroy my soul. No words can describe the gratitude that floods my soul with expressions of praise to your great and glorious name, Jesus. As I eat a daily diet of bread from heaven, my soul is nourished in ways

no earthly meal could ever come close to, and I am so glad about it. You have cleansed my palate of the sour taste that the world and its stale, cheap words left in my mouth. Now I sing your praises with the scent of angel's food on my tongue. Hallelujah!

## PRAYER INSIGHT

By Don Grigsby

### ***RE: PRAYER OF THANKSGIVING***

We are blessed with spiritual eyes that see the supernatural. Just as Jesus opened the eyes of his disciples, so has he opened our eyes. Before Adam sinned, the scripture in the Hebrew language indicates that his eyes were opened to the spiritual and not the natural order of a fleshly system. When Adam ate of the fruit, his eyes were opened to the things of lust and sin. The second man Adam as Jesus Christ has reversed all this and opened the eyes of our understanding that we could know the exceeding greatness of his power. Exceeding here in the Greek is the word "**hyperbole**" which means an elaborate exaggeration. We cannot boast or brag too much in words and worship about the greatness of the God we serve. All the world offers us daily is plastic substitutes. We feast on the real thing!

#### CHILDREN'S BREAD PROPHECY

By Moses Hightower

### ***Worship and Praise Beyond Traditions Coming in the Distance***

Series 7.1.20 – Letter #20

The brightness of my light has shined into your heart and revealed things that were hidden from you. I have not left you in darkness, but I have translated you out of darkness into marvelous light. In this marvelous light, the things that were invisible are now made visible so that your eyes may truly see. In this marvelous light, the things that were a mystery are made known. The hidden things are brought to your sight, and now you know the truth about the things that were concealed. I have kept many things veiled until my time. The things that were kept secret and

obscure are now being revealed. My time is not your time. My purpose is not as your purpose. You must align your time and purpose with my time and purpose if many of the new things that I am doing are going to be recognized. You live in an awesome time. Do not be ignorant of my way.

Follow and be obedient to my voice, and you will experience the deep things of the hour. The deep things of the Spirit are not experienced without viewing the simplicity of Christ. This is a paradox. It is illogical to the natural mind but a reality of the Spirit. Do not be bound by your traditions, for behold I do a new thing. Many of the new things that I do will be nameless to you at first, so do not be afraid to trust me when you do not recognize the things that you see happening. You have been bound by your traditions. You have made the word of God of no effect by them. Come unto the pathway of new things, and there you will behold me in a different dimension. I desire to reveal to you the depth of the riches of my wisdom and knowledge. My judgments are unsearchable, and my ways are past finding out. Who has known my mind?

Who has been my counselor?

Do you think that the things that you do in worship and praise are the extent of worshipping me?

Then come out into these new dimensions, and allow me to show you the things that are possible in true worship and true praise. Much of what you have done in the past is according to your traditions. I desire to teach you how to worship me in spirit and in truth. Behold the true worshippers coming in the distance. Have you ever seen this kind of worship?

Behold, I teach you a new thing! The heaven for is height and the earth for depth, and my heart is unsearchable. Allow me to dwell in your heart by faith, and then you will be rooted and grounded in love. Then you will be able to comprehend what are the breadth, length, depth, and height and to know the love of Christ, which passes knowledge so that you might be filled with the fullness of God. Now unto me that is able to do exceeding, abundantly above all that you ask or think, according to the power that works in you. I am the power that works in you. Behold the working of my power.

# PROPHETIC INSIGHT

By Don Grigsby

***RE: RHEMA - Worship and Praise Beyond Traditions Coming in the Distance***

Light and understanding spring brilliant from the spectrum of revelation. Worship is the telescope and magnifier of the blessing and fulfillment of the word of God. As we worship and praise him in faith and creative words of power, the dimensions that we live in at present fold up and reopen in a wide entrance into new dimensions of the secret and unknown things of God. We have danced and ran. We have leaped and shouted. When we shout, let our words be just as active as when we worship him. Our thoughts are not merely blind stabs at the portion we are hungry for but the focus of the specifics of our desire. We should not be afraid to understand spiritually more of the things we do in the worship in spirit and truth. We empower God to manifest himself when we worship him according to spiritual understanding. When heaven opens and we see the visions of power begin to materialize, we should boldly declare them in our worship. Our entire world is hungry for something to be excited about. There is absolutely no reason for us to frown when we worship the one who gives honey to the bees and sweetness to the believer. Others are coming to join our celebration. We should not inspect them in a line but put them in a line of worship that leads them to the feet of Jesus. As their tears of gratitude wash his feet, he can wash them from their impurities.

Behold the creative power of my voice in the earth. In the face of obnoxious threats by voices of fear, the voice of redemption is speaking light and order in the lives of those who call on the name of the Lord. Under the duress (**control**) of iron-like uncertainty, the mighty constructive power of my word builds success while failure tears down your evil neighbor's lofty, cankering dream. Do not be dismayed, neither be distracted by voices from icons of religious pride. I have not feared fear, and I have not subjected you to the feet of terror and despoise.

***RE: RHEMA - Travel in the Resurrection, the Elevator, Down into the Lives of Lost Souls***

The same one that has ascended has descended. When he ascended on high, he led captivity captive and gave gifts unto men. We could not come to him so Calvary bridged that gulf between us. God has lowered the ladder of grace and made it an escalator into the regions of the lost.

When he ascended on high after leading captivity captive, he had the keys of death and hell. Hell and death cannot hold the captives that we have spoken liberty to.

*The Lord spoke to me and said,*

***"Everything in creation awaits the voice of creation to trigger their freedom. Sin has declared an eternal bondage. I have declared eternal freedom. Lift up your voice like a trumpet, and I will blend all the instruments of power with your voice and will play a symphony of grace that has never been heard. Songs of deliverance belong in the day and in the night. Exodus is not a one time event. I will roll back the seas of bondage and destroy every pursuing enemy today. I will use the words of faith that I have put in your mouth as a rod of power over the enemy."***

God has given us light enough to overwhelm every darkness. Resurrection has released more than enough regeneration to wash away the destroyed dungeons of disgrace.

## PROPHETIC QUESTIONS

### QUESTIONS THAT GOD HAS ASKED ME

By Moses Hightower

***(Continued)***

◆ Lift your heart to me, and then will your ears and your eyes be lifted. You must go beyond what you say with your lips and what you do in your body. You must actualize these things in your heart first. Here, receive my righteousness, and cast down your self-righteousness. Cast away your rags of filth, and be washed with the fuller's soap

of love and the washing of regeneration.

***371. I am pouring out my Spirit, but have you come to the shower or to your face bowl of carnality?***

◆ Experience the victory that comes by my kindness toward you. You should have perished, but the riches of my grace rained kindness upon you. Now allow the enabling grace that has made you acceptable in my sight abound. Enabling grace is leaping with you in its arms. I am carrying you. I brought you out of darkness and into my marvelous light. I brought you out of the devil's family and into the family of the most High God.

### **PRAYER OF THANKSGIVING**

**By Thelma Hightower**

Thank you, Lord, for the brightness of your light that has shined into my heart and revealed things that were hidden from me. I am grateful that you have not left me in darkness. I know that light and understanding spring brilliantly from the spectrum of revelation. The fulfillment of your word in my life is a blessing. Help me to cherish your word and not take it for granted. I praise you for the faith that you have given me and for your creative words of power. Let me worship you according to spiritual understanding and may it empower you to manifest yourself unto me. When the heavens open and I see visions of power materialize, I want to boldly declare them in my worship to you.

I realize that I must align my time with your time and my purpose with your purpose if many of the new things that you are doing are going to be recognized. Forgive me for making your word of no effect in my life by my traditions. I purpose to come to you in a pathway of new things so that I will behold you in a different dimension. I am confident that your judgments are unsearchable and your ways are past finding out. I am grateful to be living in this awesome time. I will keep my eyes upon what is happening in Israel and look up because I know that my redemption is drawing nigh. I am looking for your appearing and am persuaded that you are doing a new thing. You are an awesome God!

## PRAYER INSIGHT

By Don Grigsby

### **RE: PRAYER OF THANKSGIVING**

Light is both particle and energy. Light is refracted in so many ways that its spectrum is a rainbow of grace. Even in the darkness, there is no hiding from the power of his light. In him was life and that life was the light of men. Revelation must become relationship, or it is just inspiration. Our relationship with God sets us free from the roller coaster of spiritual emotion. We can stay on a constant plane of grace and not be shaken by every wind that blows and every dark cloud that comes. New things and dimensions are the constant flowing river for those who will sit at his feet and hear his voice. God's awesome greatness is beyond the measure of the universe. Our worship is like teaspoons dipping in the ocean. Yet, as we worship, we can dive into the imperceptible depths of his love.

### ***Go On and Win the Lost, and Do Not Be Distracted by the War Declared Against You by the Adversary***

**Series 7.1.21 – Letter #21**

I have brought you to the forefront of the battle in this city. Do not draw back because of the adversity of the hour, but be steadfast. You will not be moved, for I am your Rock. I have set you in a large room and given you my faith. The faith that is in you will not fail in your times of testing and war. The war against you is not authored by flesh and blood. Principalities and powers author it. The principalities and powers are from high places. Take unto you the whole armor of God that you may be able to stand in this evil day. Get dressed in the whole armor. You are in a major war for the souls of this city. Prepare yourself for battle. The weapons of your warfare are not carnal, but they are mighty through me to the pulling down of strongholds, casting down of imaginations, and every high thing that exalts itself against the knowledge of God and bringing into captivity every thought to the obedience of Christ and having a readiness to revenge all disobedience, when your obedience is fulfilled.

I have set open doors before you, but remember that the adversaries are many. Do not be distracted by these adversaries, for the battle is mine. Go on and minister. This is your part in the battle. If you halt here to fight with spirits, you will be distracted with the majority of the Christian world. The battle is mine. The victory is ours. Leave the devils unto me. I have placed them under your feet. Do not allow them to deceive you into thinking that they are effective against you. I have spoiled their power and made them incompetent in the war against you. Many people have become ineffective in their soul winning because they have stopped to do what they call spiritual warfare. I have the devils on a leash. No power can be given over you unless it is given from above. I have all power. Now only believe that I have given you power to tread on serpents and scorpions, and over all the power of the enemy. Nothing shall by any means hurt you. You have power over the devils, but do not rejoice because these spirits are subject unto you, rather rejoice because your name is written in heaven. Do not worry about devils, for I have given my angels charge over you to keep you in all your ways. They bear you up in their hands, and you will not even dash your feet against a stone.

You may tread upon the lion and adder. The young lion and the dragon you shall trample under your feet. I have set my love upon you; therefore, you are already delivered. I am setting you on high because you know my name. You can play on the hole of the spiritual asp and put your hand on the spiritual cockatrice's den. Do not be afraid of the people that I have sent you unto. Though briars and thorns be all about you, do not be afraid of the words of the people, neither be troubled at their looks. Open your mouth, and speak my words unto them. I have made the force of the adversary and the adversary useless in his war against you. I have anointed you and made you an overcomer in all things. Go and win the lost.

Adversity, Carnality, Deception,  
Distraction, Imaginations,  
and Strongholds***

**Series 7.1.21 – Confession #21**

The Lord has brought me to the forefront of the battle in this city. I do not draw back because of the adversity of the hour, rather I am steadfast. I am not moved, for Jesus is my Rock. He has set me in a large room and given me his faith. The faith that is in me will not fail in my times of testing and war. The war

against me is not authored by flesh and blood. Principalities and powers have authored it. The principalities and powers are from high places. I have taken unto myself the whole armor of God that I may be able to stand in this evil day. I am dressed in the whole armor. I am in a major war for the souls of this city. I have prepared myself for battle. The weapons of my warfare are not carnal, but they are mighty through God to the pulling down of strongholds, casting down of imaginations, and every high thing that exalts itself against the knowledge of God and bringing into captivity every thought to the obedience of Christ and having a readiness to revenge all disobedience, when my obedience is fulfilled.

God has set open doors before me. I remember that the adversaries are many; however, I am not distracted by these adversaries, for the battle is the Lord's. I purpose to go on and minister. This is my part in the battle. I will not be distracted with the majority of the Christian world, for I refuse to halt and fight with spirits. The battle is the Lord's. The victory is ours. I leave the devils to the Lord. He has placed them under my feet. I do not allow them to deceive me into thinking that they are effective against me. God has spoiled their power and made them incompetent in the war against me. Many people have become ineffective in their soul winning because they have stopped to do what they call spiritual warfare. God has the devils on a leash. No power can be given over me unless it is given from above. Jesus has all power. I believe that he has given me power to tread on serpents and scorpions, and over all the power of the enemy. Nothing shall by any means hurt me. I have power over the devils, but I do not rejoice because these spirits are subject unto me, rather I rejoice because my name is written in heaven. I do not worry about devils, for he has given his angels charge over me to keep me in all my ways. They bear me up in their hands, and I will not even dash my feet against a stone.

I tread upon the lion and adder. I trample the young lion and the dragon under my feet. He has set his love upon me; therefore, I am already delivered. He has set me on high because I know his name. I can play on the hole of the spiritual asp and put my hand on the spiritual cockatrice's den. I am not afraid of the people that he has sent me unto. **RE: RHEMA - Go On and Win the Lost, and Do Not Be Distracted by the War Declared Against You by the Adversary**

God declared in no uncertain terms to his people that when they were in hopelessly outnumbered situations the battle was not their battle but his. He allows us to get into situations where we could never win the victory without his intervention. This is when he clearly displays his greatest display of power on our behalf. We have billions of reasons (**people**) to desire a great revival of the lost being saved. If he will do anything, he will save the lost. We do not have to persuade him to do that which is his purpose here on the earth. Our lives need to be focused on the helpless plight of those who are seeking, but they know not what they are searching for. Wars will arise, and people will be in upheaval all around us, but we must seek first the kingdom of God. Winning the lost must be our intense focus and number one priority. Other entanglements will sidetrack us into constant debate and strife. We need to be like Nehemiah when he was building the wall and say that, "**We are doing a good work and will not come down for anything else.**" Open doors of utterance and opportunity are all around us. Screams of pain are not just disturbances; they are the cries for help. God has sent us the hurting and the broken. We are sent to heal them and to liberate those that are bruised. All the rumors and the strife need to be just part of the fog that we know that will be burned off by the intensity of the altars of loving and liberating the lost.

The voice of the light within you is the voice of the Father of lights. The voice of the darkness stands in defiance of my command, yet at my name its image is bowed in your presence. Do not be pulled from duty and responsibility by the defiance of unruly spirits roaming to and fro. They are stars of distraction and medics of spiritual insanity. Do not allow these spirits to be your practitioners. I am your teacher, and I have not consulted the sorcerers of the age to help me in fulfilling my purpose. I am the Lord, and I do not change. I have not blown this trash away and decided to use it for growth in my holy kingdom. This trash is contaminated with sin, and just as the earth and the heavens, it shall pass away.

***RE: RHEMA - Beware of a False Gospel, and Protect Your Children from Witchcraft and Sorcery***

Many are the components of lies, but there is only one stream of truth from the throne of God, via the living voice that waters the garden of a relationship. As the rivers watered the Garden of Eden, so do the words of fresh prophetic waters satisfy our soul. The voice of the Lord in the garden was their source of living water. It has evaded many today who would lean on the flesh that the living waters of **John 7** are more than tingly emotions. When he said the words that he spoke were Spirit and life, he was identifying the waters flowing out of our belly. Spiritual pride will lead us to listen to the voices that only satisfy our desire thus turning our lust into a cannibalistic monster. Spiritual adultery will turn into the dens of sorcery and destruction. Self-deification follows those who refuse to hear the voice of truth. His table of the statutes of creative declarations has been prepared for those who will come and partake of it.

◆ I have given you a heart of thanksgiving. The gratitude that you feel is of me. I have sent my grace your way and caused it to abound unto thanksgiving. You can of yourself do nothing. The thankful heart that you have listened to is of your Lord. Worship me and fall at my feet, knowing that I am with you even unto the end of the age.

#### **373. *I am for you, then who can be against you?***

◆ Do not worry about your life in this world. I have already sealed you with the spirit of redemption. The earnest of your inheritance is in you. No one can take it from you. Believe the prophets, and know that the ways of the patriarchs were ordered of me. I have also ordered your steps. Now rise up, and walk in the paths of righteousness for my name's sake and not your own. From a child, the Spirit of God has touched you. You could not miss this divine ordination because it was ordered of me.

### **PRAYER OF THANKSGIVING**

**By Milton Rodriguez**

Thank you for the refocusing effect of your word through the mouth of your prophets. As you express your loving-kindness and tender mercies, I am grateful. You also express the truth of your word and the true purpose for coming as the man Christ Jesus. Lord, I yield my life to you and give you full reign in my life. Lead and guide me into the middle of your grace and kingdom. There in the midst of your kingdom is the true purpose, to seek and to save those who are lost. Thank you for the revelation of my destiny and your will for my life. As I yield unto your calling and preach the gospel to every creature, I will find a special grace that empowers me with the ability, the desire, and the power to fulfill your calling in my life. I also find myself reenergized and full of vigor and life. I realize that all other priorities are just distractions and detours if I do not fulfill your purpose in my life. Although I may gain the whole world, I will have inherited the wind if I do not fulfill your will in my life.

I rejoice today in your Spirit, for you have refocused and inspired me. Thank you for allowing emotional and spiritual maturity to come into my life. I praise you for the grace you have blessed me with. Now I will seize the opportunities afforded me by the same grace that saved me. The harvest is truly ready, but the laborers are few. I pray to you, the Lord of the harvest, that you would send laborers into the harvest. I am a laborer with you, and I ask you Lord to send me.

### ***RE: PRAYER OF THANKSGIVING***

God's word not only refocuses our priorities, but it centers our lives. Worship centers our lives. The book of Revelation is an unveiling of the tremendous power of worship. When our lives are off-center, we become unbalanced and tend to fall down on the unbalanced side. When Jesus Christ is worshipped at the center of all that we do, then we have a central focus that will not cause us to get sidetracked. His word is the light and lamp for our path to walk in the opportunities that he has designed for us.

Do not waste time with the devil. Cast him out, and go on about my business. I have given you power over all devils and to cure diseases. You have power to tread on serpents, scorpions, and over all the power of the enemy. Nothing by any means shall hurt you. With the authority and power I gave unto you, command the unclean spirits to flee, and they shall obey you. You have been endued with power from on high, for my promise has been sent upon you. You have received my Spirit. You have

been given power to become the sons of God, for you are born of me. No power can be given over you except it be given from above; therefore, do not fear. I have not given you the spirit of bondage again to fear but the spirit of power, of love, and of a sound mind. You have received power, for the Holy Ghost has come unto you. Go and be a witness unto me, and do not fear demonic powers. In my name, you have power to do miracles. Great grace is upon you; therefore, rejoice, for your name is written in heaven.

I have filled you with faith and power. Wonders and miracles shall follow you. I am Jesus, so go and be a witness of me. I have delivered you from those who were against you. Now go open the eyes of those who have not seen me. Turn them from darkness to light and from the power of Satan unto God that they may receive forgiveness of sins and an inheritance among them, which are sanctified by faith that is in me. Are you ashamed of the gospel of Christ?

It is the power of God unto salvation to everyone that believes; to the Jew first and also to the Greek. In the gospel, lies the righteousness of God revealed from faith to faith. Live by faith, and you shall behold the fulfillment of my word. I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion. It is not of him that wills it, nor of him that runs, but of me that shows mercy. I raised you up that I might show my power in you and that my name might be declared in the earth; therefore, have I had mercy on whom I will have mercy, and whom I will, I will harden. No one has been my instructor, neither my counselor. People are confounded because they thought I would act against you.

Who has resisted my will?

Who is he that replies against me?

Shall the thing formed say to me that formed it, ***“Why have you made me this way?”***

The potter has power over the clay. I make one unto honor and another unto dishonor. I have called you my people and given you true worship in spirit and in truth. Now go make my name shine in all of its glory. You are the children of the living God. Those who resist the power resist my ordinance, and they that resist shall receive to themselves damnation. I sent you. Now who will send you away?

Through the power of the Holy Ghost, abound in hope, for I have filled you with joy and peace. I have given you the power by the Spirit of God that precedes mighty signs and wonders. Now go forth believing that the things that I have said are true, and these signs shall follow you. Go and preach the cross and Christ, for the preaching of the cross is to them that perish foolishness, but unto those who are saved it is the power of God. I sent you not with the excellency of speech or of wisdom but in demonstration of the Spirit and of power. Go and do not be turned back by adversity or men. Go.

By Don Grigsby

***RE: RHEMA - We Are Sent Not with the Excellency of Speech or of Wisdom but in Demonstration of the Spirit and of Power***

We do not need monuments or museums of past works of God's Spirit but current manifestations of God's power. When two disciples wanted to call fire down from heaven on the Samaritans because they rejected them, Jesus told them they had the wrong spirit. He has come to seek and save the lost. In the eighth chapter of Acts, there would be a manifestation of power so great that even the sorcerers wanted to purchase its display. Our world is drunk on sin, and we need to be drunk on the manifestations of the Spirit. DWI needs to be "***Dancing while intoxicated***" in the Spirit like David before the ark. DUI needs to be "***Delighted under the influence***" of the demonstration of the Spirit. Paul wrote and spoke volumes of the works of God. In heaven, he saw and heard that which could not be put in men's words. When God's power is demonstrated in lives, there can be no debate of what happened. Our words can be sounding brass, but God's display of himself overshadows every silent or furious storm. When he says, "***Peace be still***" to a raging storm and the waves lay down like sheep before the Shepherd, there is no doubt who is on the scene. God's sovereignty over every vessel and situation will be made manifest. Signs following were the proofs of the power of God resident in the lives of believers. Every force and contradiction had to bow before the manifested power from the throne. Mercy's hands will take the broken vessels of life and create a garden from the shards of a few broken pots. God's display of the resurrection power in the spring of the year in nature lets us know this is just the shadow of what he desires to spring forth in our lives everyday!

**RE: RHEMA - God's Companionship and Deliverance While Going Through the Fire and the Flood**

Paradoxes of power are the steps of the people of faith. Every problem is a platform for God to demonstrate his power. When Satan is not the center of attention, he must fade into the background. As the Hebrew children firmly stated the ability of God to deliver them, the enemy was consumed and the Lord was manifest. If we will learn that in the face of every screaming liar we should shout the greatness of God, we will always be victorious. Darkness is the pavilion of his power. Clouds are the dust of his feet. His power is hidden in a million places that we discover when we have challenges of our faith. Whether it is the fire of a furnace or the fever of a dreaded illness, the great physician stands behind the curtain of the unseen to deliver us from the hand of declarations of death. When gloom and despair are the messengers of the battle, we must refuse to listen to their report. When the enemy tries to wash us away in the floods of fear, God will have an ark that is at hand to take us to our desired haven. God is still in the business of turning our wilderness into a Garden of Eden. Eden's sunrise is looking in the face of the sunset of every day that we live and rejoice in him.

## PRAYER OF THANKSGIVING

By Marco Mendoza

Lord, I worship and exalt your name for who you are! It is so reassuring to know that your creative power has not ceased, but you currently and continually manifest your creative power. I take great comfort in knowing that you are love and that you have placed your love on the inside of me. Thank you for this convicting love that convicts me when I am tempted to do wrong and lets me know when I have a wrong spirit towards others. You, being the only one that is righteous, came to seek and save the lost. I am honored to follow after you, my wonderful Savior. You are on the inside of me to manifest the same power of love and self-denial so that your purpose may be fulfilled in my life. While the world is drunk on sin, I am grateful for the grace to be drunk on the manifestations of your Spirit. As your child, I will gladly receive the accusations of a DWI, "***Dancing While Intoxicated***" or a spiritual DUI. "***Delighted Under the Influence.***"

I am so glad to be in your body, and to witness your power demonstrated in my life and in that of others. There is absolutely no denying or debating what you do. When you say, "***Peace be still***" to a raging storm and the waves lay down like sheep before the Shepherd, there is no doubt you are on the scene. There is no other God but you! Your sovereignty over every vessel and situation will be made manifest. I am glad that you never change, and just as signs and wonders follow as proof of the power of your residence in the lives of past believers, so do you these signs and wonders follow in the lives of current believers. The fact that every force and contradiction bows before the manifested power from your throne encourages me because I know that you are my God! When I think about how mercy's hands will take the broken vessels of life and create a garden from the shards of a few broken pots, I can't help but rejoice. Thank you, Lord, for your display of the resurrection power in the spring of the year in nature because that lets me know what you desire to spring forth in my life everyday!

God's creative display is constantly on display in the heavens. Every year 2 million new stars are created. We were created to have dominion over the works of his hands. We can speak in this world and the same creative power is released in the words that we speak. Our world may be intoxicated on the plastics of amusement and entertainment, but we have fullness of joy in the presence of God's face. Miracles and wonders are the signposts of the supernatural. We are not being led by the flesh but by the Spirit of God. God will take us and use us to speak to the broken and hurting and make them new creatures in his power and grace.

**Series 7.1.23 – Letter #23**

I have not brought you here to fail. I have succeeded for you. Now have faith in my completed work. I have overcome the devil, the world, and the flesh. Now you have overcome by faith. Now faith is the substance of things hoped for, the evidence of things not seen. Use your faith, and obtain a good report. Though you abide with treachery, do not be distracted by these acts of deliberate betrayal. You have given trust to many, but you have been betrayed. The betrayal of your trust does not mean defeat. I have saved you from the entrapment that was set for you and for those who follow you. I lead you in a plain path because of your enemies; therefore, do not be worried about the treason among you. I will always warn you aforetime when people are selling out and double-crossing you. I will not always strive with those who take up with this spirit. Some have been disloyal and betrayed you. Their dishonesty will be their own demise and destruction, for I will allow them to be bound by their own cords of dishonesty. Their lack of honesty and acts of lying and cheating will be their pathway to devastation.

Do not be distracted by these activities among you. I am the keeper of the flock, and I am not deceived by their pretentious ways. They will be exposed before all as they continue in their conceited paths. The subversive conduct is known of me. I will deal with it in due time. Do not be deceived. I am not mocked. They will reap the treason that they are sowing. Do not doubt that I am fully aware of the intent of their evil hearts and perverse ways. I will cast them out of the congregation if they continue to follow after their wicked desires. They have risen to war against me when they have sought to deceive and misrepresent acts of love to fulfill their own lustful and selfish intents. I am against these malicious devices sent against my body and families in the church.

Behold my actions against these spirits. They shall be swift and decisive. I have offered mercy in times past, as I am longsuffering and full of grace. Now we must go on to the purpose for which cause I came into the world. I will not encompass this mountain of temptation again. I will cast this spirit out of my presence and everyone that takes up with this spirit. My word is sure. I will not always strive with man. Man is flesh, and his days are numbered. A man is foolish to strive with his maker. I speak once, yea twice, yet man does not perceive. I opened your understanding in a dream this morning. In a vision of the night, when deep sleep fell upon you, then I opened your ears and sealed instructions for today.

I desire to keep back men's soul from the pit and their life from perishing by the sword. The souls of men that do this evil draw near unto the grave and their life to the destroyers. I look upon men and if any say, **"I have sinned and perverted that which was right, for it did not profit me,"** I will deliver their soul from going into the pit, and their life shall see the light. My way is to work repentance in their lives to bring back their soul from the pit to be enlightened with the light of the living. I am teaching wisdom. Let him that is wise repent. Let him that is foolish continue in his crafty ways only to find that they are the ways of death.

I will not do wickedly, neither will I pervert judgment. If I set my heart upon man, I will gather unto myself his spirit and his breath. All flesh shall perish together, and man shall turn aside unto dust. He who has understanding, hear this, and listen attentively unto the voice of my words. There is no darkness, nor shadow of death where the workers of iniquity may hide themselves. I shall break them in pieces and set others in their stead, for I know their works and overturn them in the night so that they are destroyed. I will strike them as wicked men in the open sight of others that these hypocrites do not reign with me and that other people are not ensnared with their fraud. They openly fight against you and my body. Now I will fight against them, for they have striven with me. I will confound them and put them to shame. I will turn them back, and they shall be brought to confusion. They shall be as chaff before the wind, for the angel of the Lord shall chase them. Their way shall be dark and slippery, and the angel of the Lord shall persecute them. Destruction shall come upon them unawares. The net that they hid for others shall catch them. Into the very destruction that they planned for others, they shall fall themselves.

They have striven with my anointed when they have subtly attempted to lure others into their vicious traps of lust. Now shall they be ashamed and confounded. They shall be as nothing, and they that strive with you shall perish. People shall seek them and shall not find them. Those who contended with you and warred against you shall be as nothing and a thing of naught. I, the Lord, thy God will hold your right hand. You do not pastor this congregation alone. I will help you. Behold, I will make you a new, sharp threshing instrument, having teeth. You shall beat them small and make the hills as chaff. You shall fan them, and the wind shall carry them away. The whirlwind shall scatter them, and they shall know the hand of the Lord has done this thing in their midst. Behold, I have created you as a new, sharp threshing instrument among the people. Behold what I will do.

Their dishonesty will be their own demise and destruction, for he will allow them to be bound by their own cords of dishonesty. Their lack of honesty and acts of lying and cheating will be their pathway to devastation.

I am not distracted by these activities among us. God is the keeper of the flock, and he is not deceived by their pretentious ways. They will be exposed

before all as they continue in their conceited paths. The subversive conduct is known of him. He will deal with it in due time. I am not deceived. God is not mocked. They will reap the treason that they are sowing. I do not doubt that God is fully aware of the intent of their evil hearts and perverse ways. He will cast them out of the congregation if they continue to follow after their wicked desires. They have risen to war against him when they have sought to deceive and misrepresent acts of love to fulfill their own lustful and selfish intents. The Lord is against these malicious devices sent against his body and families in the church.

I behold the Lord's actions against these spirits. They shall be swift and decisive. He has offered mercy in times past, as he is longsuffering and full of grace. I now go on with the Lord to the purpose for which cause he came into the world. He will not encompass this mountain of temptation again. He has cast this spirit out of his presence and everyone that takes up with this spirit. His word is sure. He will not always strive with man. Man is flesh, and his days are numbered. A man is foolish to strive with his maker. He spoke once, yea twice, yet man does not perceive. He opened my understanding in a dream this morning. In a vision of the night, when deep sleep fell upon me, then he opened my ears and sealed instructions for today.

God desires to keep back men's souls from the pit and their life from perishing by the sword. The souls of men that do this evil draw near unto the grave and their life to the destroyers. He looks upon men and if any say, "*I have sinned and perverted that which was right, for it did not profit me,*" God will deliver their soul from going into the pit, and their life shall see the light. His way is to work repentance in their lives to bring back their soul from the pit to be enlightened with the light of the living. He is teaching wisdom. A wise man will repent. He that is foolish will continue in his crafty ways only to find that they are the ways of death.

God will not do wickedly, neither will he pervert judgment. He has set his heart upon man; therefore, he has gathered unto himself his spirit and his breath. All flesh shall perish together, and man shall turn aside unto dust. He who has understanding, hears this, and listens attentively unto the voice of God's words. There is no darkness, nor shadow of death where the workers of iniquity may hide themselves. He has broken them in pieces and set others in their stead, for he knows their works and overturns them in the night so that they are destroyed. He will strike them as wicked men in the open sight of others that these hypocrites do not reign with him and that other people are not ensnared with their fraud. They openly fight against me and God's body. Now God fights against them, for they have striven with him. He has confounded them and put them to shame. He has turned them back, and they are brought to confusion. They are as chaff before the wind, for the angel of the Lord has chased them. Their way is dark and slippery, and the angel of the Lord has persecuted them. Destruction has come upon them unawares. The net that they hid for others has caught them. Into the very destruction that they planned for others, they have fallen themselves.

They have striven with God's anointed when they have subtly attempted to lure others into their vicious traps of lust. Now shall they be ashamed and

confounded. They shall be as nothing, and they that strive with me shall perish. People shall seek them and shall not find them. Those who contended with me and warred against me shall be as nothing and a thing of naught. Jesus, the Lord, my God has held my Pastor's right hand. He does not pastor his congregation alone. God has helped him. I behold he has made me a new, sharp threshing instrument, having teeth. I have beaten them small and made the hills as chaff. I have fanned them, and the wind has carried them away. The whirlwind has scattered them, and they know the hand of the Lord has done this thing in their midst. God has created me as a new, sharp threshing instrument among the people. Now I shall see what he will do.

***RE: RHEMA - The Lord Using the Leadership As a New, Sharp Threshing Instrument Having Teeth Against Those Who Strive with Them by Means of Treachery***

We are told that the angels left the rebuke of the enemy to the Lord. God will loose the weapon of his indignation upon anything that will bring about confusion as Babylon. As he loosed a sword upon her liars, he will loose his prophetic word to slay the words of destruction. Judas was a betrayer and a thief, but the Lord never stopped reaching for him. Judas went out and hanged himself. We do not need a chariot of war, for the Lord will take the intensity of those who are pursuing that which is not right and turn it into their own destruction. Haman's trap for Mordecai became the instrument of his own destruction. Mordecai just prayed with Esther and the people, and God gave the complete deliverance. God showed this very clearly in the triangle of David, Nabal, and Abigail. Abigail showed how that a sling shot was being used by another to sling at him, but God would be sure that the one doing the shooting would be slung out of his own device. David thanked Abigail and the Lord for not letting him exact any vengeance but allowing the Lord to do the work. It is obvious that the stones of hurt that were being hurled by Nabal came back to him because his heart died within him, and he became a stone.

Take your eyes off these things that shall pass away, and look for new heavens and a new earth, wherein dwells righteousness. Be diligent that you may be found in peace, without spot, and blameless at my coming. Close your ears to the voices of shallow, unlearned, and unstable speeches. Do not listen to their voices lest you are led away with the error of the wicked. Grow in the grace that is within you. Beware of the spirit of error so that you do not fall from your steadfastness. **RE: RHEMA - Do Not Give Your Honor and Your Crown for Spiritual Adultery**

In **Acts 5**, Peter said, "**We ought to obey God rather than men.**" Many follow after the ways of man, and in doing so, they pervert the ways of God into spiritual adultery. Our modern day, so called, apostolic movements have those who are like the Pharisees in the **12th chapter of John**. They love the praise of men more than the praise God. We must make up in our minds to always hearken to the voice of God and disregard what men think that God is trying to say unto the church. Many lovers are come to the weak and unsure to cast them into a bed of fornication, away from our Beloved. Jezebel's spirit has continued to live to be able to use lies and false favor to get what she wants. As we listen to God's voice, we will not be led to the pit and the mouth of the harlot spirit that will consume us in the lust of flesh and mind.

## PRAYER OF THANKSGIVING

By Cindy Mesa

This is a great day for rejoicing. You have created this day not for failure but for my victory. This is an overcoming day. Just as you overcame the devil, the world, and the flesh, you have given me faith to overcome to obtain a good report. You have seen those that have betrayed me, and you will continue to save me from the entrapment that has been set before me. If it were not for your grace, I would be as those that have become disloyal and fall into their own trap of destruction because of their betrayal. Thank you for keeping me from their evil hearts of deception and perverse ways. There will be no evil or harm that will come near me. You will send angels to guard me in all my ways. Your glory will be revealed in due time. You have offered mercy, and you are longsuffering and full of grace, but now you must fulfill your purpose in which you came into the world. Thank you for letting me be a part of that purpose. Your word is sure, and you will loose your prophetic word to slay the words of destruction. You are a merciful God, and your desire is not to have men fall into the pit but to repent. The foolish will continue in their crafty ways, and those that fight against me will fight against you. You have sustained me from seeking vengeance and sparing my own life from the sword of destruction, and for this I give you praise. You are the Lord, and you will fight my battles. I am grateful for the words of comfort and edification, and I will not fear my enemies, for they will be as chaff before the wind. I will dwell in the shadow of the Almighty and I say, *“You are my fortress and refuge; in you will I trust.”*

### **RE: PRAYER OF THANKSGIVING**

Victory and rejoicing go together like love and grace. We rejoice in the Lord at all times. Some may decide to walk the paths of bitterness and betrayal. We will choose to walk in the liberty of the Spirit. Forgiveness is not conceding or giving in, but it releases us to be free from vengeance and the things that act as corrupting spiritual agents in our lives. We will eat at the table of mercy and grace. Invitations to feast on small talk and tales of negativity are refused and returned to sender.

An abundance of grace is given to you. Though evil seducers are waxing worse and worse, grace is abounding more than ever before. Look to the grace of God that is laboring more than all iniquity. Do not fear in this hour of gross darkness in the earth. My love holds fear in its hands and casts it far from you. Ready yourself with a focused mind, the mind of Christ. My mind does not know any fear. My mind is the mind of love. In love, there is no fear. Those who fear are not perfected in love. Allow me to perfect you in love, and then will you be complete. The enemy is the aggressor. He is provoking your country in order to claim lives for hell. He has started a fight by provocation. He is provoking your country and starting a fight. He wants you to live in fear. If he can get you to live in fear, he can cause you to do what he wants you to do. Refuse to be controlled by the enemy. Be controlled by love, or you will be the victim. Do not choose to be a victim. Choose to be a victor. Be knowledgeable of the times, but do not be distracted by that knowledge. Victors do not wear the drab rags of defeat. We are not on the pity parties of the present. Victory is the inheritance of the children of the resurrection. We are not being held hostage to suffering by the Lord. God only intends the best for us. Our enemy will try to provoke us to drink from the wells of negativity. We have the wells of living water springing up within us. We will not join the parade of those looking for someone to sympathize with their sad story. We have good news to declare out of the celebration of victory over death that we participate in daily.

Love is greater than faith and hope. It is the entrance into the majesty of the magnificence of the Almighty. His love opened for us a new and living way through the veil of human misunderstanding. As we walk into every day, we should not wait for the day to evolve any way that it will. We have the ability to open the doors or gates of the morning for love to paint the portrait of the day before the horizon kisses yesterday to sleep. We do not have to take a marred and scribbled on canvas for grace to dictate its moments of blessing upon. Every detail of deity is in the declaration of the love of God on our behalf. As we speak love's words of power, we are simply agreeing with what God has already said would come to pass. Miracles are not housed in museums but have been displayed in the daily manifestation of God's power in our lives. Victory's song is sung in the mouth of faith with the tongue of love expressing every verse.

### PRAYER OF THANKSGIVING

By Rigo Toledo

I praise you and thank you for your grace today. It is saving me every time I open my eyes. Without it, I can do nothing. Your grace is always abounding. Only by your grace am I able to receive your instructions and have the ornament of your favor upon my head, so it can become chains about my neck. The ornament of your grace has been given; therefore, I rejoice. It has granted and continues to grant the ability to testify of your resurrection and saving power. I am grateful that the word of your grace is building me up that I may receive the inheritance of eternal life. I am thankful in being justified freely by your grace and the redemption that is in your precious blood. I stand confident in the gospel of my salvation. I comprehend that you are greater in me than he that is in the world. I acknowledge that you are for me, for I am part of your body. All things are under your feet; therefore, the victory has already been given over death, hell, and the grave. Victory is my inheritance, for I am a child of your resurrection.

In Proverbs, the word used for ornament that pertains to grace is the Hebrew word for a wreath or an intertwining of things. God in his manifold grace gives us life, authority, favor, and strength in the grace that covers our head and neck. We have been redeemed by his blood and made kings and priests unto our God. All his promises are yes and amen. Yes is the Hebrew word "**ken.**" Priest is the Hebrew word "**kohen.**" The word picture is that we as priests reveal the heart of the Yes or the King of Grace in our lives.

***Beware of Disunity and  
Disharmony, for They Are  
Weapons of War***

**Series 7.1.25 – Letter #25**

Beware of the disunity and disharmony fostered by the devil. This is at the heart of the warfare against you. Everywhere there is strife, there is every evil work. Cast out the scorner, and all the strife shall cease. There are subtle spirits among you. Some people walk after the inspiration of these subtle spirits because they are disobedient. The prince of the power of the air, the spirit that now works in the children of disobedience, is expressing himself in many. Do not be ignorant of the devices of the evil one, but know of a truth that he is leading you into conflicts that you do not have to be involved in. Do not make other people's wars your wars, and then you will not be distracted from the purpose. You must agree with me if you are to walk after me. Think on the things that are true, honest, just, pure, lovely, and of good report. If there be any virtue and if there be any praise, think on these things. How will you walk with me if you think after the inspiration of another voice?

The God of peace shall be with you if you do those things that you have learned, received, and heard in your teachers. You cannot continue with me if your love is with dissimulation. I am not a respecter of persons; therefore, detest that which is evil and cleave to that which is good. Put away lying, and speak the

truth with your neighbor. You are members one of another; therefore, do not lie. Be girt about with truth, and get dressed with the breastplate of righteousness, for the fruit of the Spirit is in all goodness, righteousness, and truth. Purify your soul in obeying the truth through the Spirit unto unfeigned love of the brethren, and love one another with a pure heart fervently. You are born again, not of corruptible seed but of incorruptible seed by the word of God, which lives and abides forever. The word of the Lord endures forever. The word came by the gospel which was preached unto you. You must love in deed and in truth, not simply in word alone.

I have hidden you from the pride of man, and I keep you secretly in a pavilion from the strife of tongues. Notice how the strife of tongues works in the war that your nation is involved in. Learn a lesson from the wars and rumors of wars. Division is possible because of the division of tongues. Look at the violence and strife that is prevalent among the people. Mischief and sorrow are in their midst. Wickedness is in their midst. Deceit and guile are always among them and does not depart from them. Men of wrath continue to stir up strife. Where are those who are slow to anger?

They will appease strife. The angels will cast out the forward from among you. The whisperer also must be cast out for they separate the best of friends. Do not meddle with the contention among you, for you will only escalate the strife that is already started. Hear these words of wisdom, abide by them, and you will not be distracted by the tactics of the evil one.

**RE: RHEMA - Beware of Disunity and Disharmony, for They Are Weapons of War**

God is not the author of confusion. God does not desire for people to be torn apart. Solomon was given wisdom to propose a startling yet delivering answer to women fighting over a baby. The real mother said, "**Let it be given to the other woman.**" The spirit of the other woman said, "**Divide it, and let it not be hers or mine.**" Solomon immediately knew who the real mother was. We know the scriptures said he would send a sword, but it would never be to rip the souls of people apart over the loss of their children. The swords will all be turned into plowshares. If we believe that the Prince of Peace has that eternal power now, we should pray for it to be so in our lives. I have seen enough disunity and disharmony in the church. It keeps everything on a short fuse and boiling just beneath the surface. Let us decide to be as the early Hebrew people. Words passed between friends were established as covenants forever.

Love has brought its wind of refreshing to lift us up on wings of inspiration. Our paths drop with the fatness of his blessing. All of creation dances in harmony with the song of redemption. Every event, we look into the unseen, for it is about to break forth into the spotlight of his grace. Our song and praise shall rise to him as the incense of our soul. ## PRAYER OF THANKSGIVING

By Michael Hannah

Lord, I thank you today for speaking words of caution in my hearing, to guard my tongue by the words that I speak. As I hear your words of wisdom and abide by them, I will not be distracted by the tactics of evil or the evil one. I thank you for opening my understanding to your eternal power, and I purpose to pray for each and everyday in my life. I give you praise for the wisdom to forebear my brothers in love and endeavor to keep the unity of the Spirit. I am so grateful that there is one body and one Spirit, even as we are called in one hope of our calling; One Lord, one faith, one baptism, One God and Father of all who is above all, and through all, and in us all. Grant me the grace to cleave to that which is good, and allow me to put away lying by speaking the truth, not simply in word alone but in love and in deed. I embrace these things to think on, and thank you for changing my heart and mind. Therefore, I will think on those things that are true, honest, just, pure, lovely, and of a good report. For this Lord, I give you praise.

I believe that you are the Prince of Peace that keeps me in perfect peace as I make my agreement with you to walk after you and keep my mind stayed on you. Because your promises are yes and amen, I will no longer doubt what you have spoken, by your grace, I purify my heart and soul in obeying the truth with a covenant that is established between us forever. Lord, I am grateful that you are not the author of confusion, but the God of peace, unity, harmony and love. I appreciate the love that you have so freely given unto me. Hallelujah! Thank you Jesus!

Winds and waves still obey the voice of the Creator. All things were made by the Word, and he upholds all of them by the power of his word. If he upholds, propels, and energizes everything by the power of his word, then we have peace that is the stable floor of every thought and action in our lives. Chaos and confusion are the things that distract us from the work of the kingdom of Jesus Christ. Not only are his words truth in doctrine, but they set us free, but the truth about all things sets us free from fear and worry that would drag us and our thinking down into carnal mindsets. We mind the spiritual things that are spoken by his words and thus have life and peace.
