# Bread for the Children

***The woman was a Greek, a Syrophenician by nation;  
and she besought him that he would  
cast forth the devil out of her daughter.  
But Jesus said unto her,  
Let the children first be filled:  
for it is not meet to take the children's bread,  
and to cast it unto the dogs.  
And she answered and said unto him, Yes, Lord:  
yet the dogs under the table eat of the children's crumbs.  
And he said unto her, for this saying go thy way;  
the devil is gone out of thy daughter.

### ***A Fresh Wind of Inspiration While Being Attacked by the Spirits of Sorcery and Witchcraft***

**Series 5.11.26 – Letter #330**

The cankerworm has attempted to eat of the good things that I have given you. Lift up your heart and mind to me, and I will fill you with strength to overcome this distraction. The locust of the hour shall not eat of the good things that I have supplied and be satisfied. I have sent forth a rushing, mighty wind to blow away the influence of the locust, the palmerworm, the cankerworm, and all the devourers of the hour. Lift up your soul and spirit to me, and I will strengthen you in this hour of weakness, which is throughout the earth. Do not lean any longer upon your own understanding. I have undergirded you with the arms of everlasting strength and endurance. Do not look any longer to your own sufficiency for the answers to your problems. I have supplied all your needs according to my riches and glory. My riches are unsearchable. My glory is incomparable.

I am the everlasting God, the eternal Spirit. My name is Jesus. I have revealed my name to you. I have revealed myself to you. Now go forth in the power of the revelation within you. The fact that I am revealed will cause you to behold the majesty of my nature, character, and power. I have identified the spirits that are arrayed against you. The front line of these things is distraction itself. Do not be afraid of the warriors of the enemy. They are already defeated. Put on the whole armor of God and do not be weary while doing well. You have listened to the voices of distraction long enough. Now lean your ear to the voice of the Lord again, and I will speak peace in your ears. I have sent forth a fresh wind of

inspiration your way; therefore, listen to the voice of encouragement in your ears.

Hear of the good news in the midst of disappointment and discouragement. You are not subjected to these things. I have placed all of these things beneath your feet. Now behold the pathway of victory as you tread upon all these things. Lift up the feet of praise and trample these things under your feet. Lift up the voice of triumph and send the wave of victory unto the hearers in their closets of fear and doubt. I have sent you to give grace to the hearers. Go and give the grace that you have received. I have placed an abundance of great grace within you. Now go and speak of my glory and talk of my power in the midst of hovering dark things. I have not entered into your life as the author of your faith and left my plan of finished faith incomplete.

Look again to the revelation of Jesus Christ and behold your completeness in me. Behold the revelation of your God and his Christ in your heart. It is sufficient for the wave of philosophy and vain deceit in the air. Come unto me with your burdens and heavy heart. Come and bow down at my feet. Give me a heart of brokenness and a focused mind of surrender, and then will you perceive my plans and design for your life instead of the doubts, worry, and fears from the fist of the spoiler in the camp of sorcery and witchcraft. The spirits of sorcery and witchcraft have attacked you. They have attempted to spoil you and leave you dead in the ditch of corruption and spiritual blindness. I have preserved your eyesight and enlightened your eyes of understanding in this time of ruthless war from principalities and powers.

Lift up your eyes from the influences of worldliness of all forms and behold the influences of true righteousness and true holiness. Cast the leaven of philosophy and vain deceit into the incinerator of my consuming fire. Deny yourself daily while you bear the cross of discipleship as you follow me. I have given you great grace and the power of the resurrection has expressed itself on your behalf. I have given my own testimony for you

and lifted up my voice to proclaim you delivered from every yoke and all bondage. Now rise up and live the freedom granted you by love itself. I have made you an overcomer who lives the life of the victor who is more than a conqueror. Do not worry any longer about the things that do not come according to your own timing. I have already ordained the things that are necessary and complete to be on time and not late. Be glad and serve me in the same manner of gladness and exceeding great joy. I have lifted you and made you a son whose place is at the table of the children. Now eat the bread of victory. It is given to you for your meal, which shall strengthen you in this time of weariness.

## **PROPHETIC INSIGHT**

**By Don Grigsby**

***RE: RHEMA - A Fresh Wind of Inspiration While Being Attacked by the Spirits of Sorcery and Witchcraft***

In Exodus 7:11, we see that the rod of God's man swallowed up the rod and serpents of the sorcerers. We speak the words of anointing that swallow up all the lies of the

enemy. In Isaiah 11:4, it is the rod of God's mouth that smites every evil in the earth. God will rule his kingdom with the iron rod of his mouth. In Numbers 23:23, we read, "***Surely there is no enchantment against Jacob neither is there any divination against Israel: according to this time it shall be said of Jacob and of Israel, What hath God wrought!***" We will rise up like the lion and shall not lie down until we have devoured the prey. ***Divination*** here is translated according to Strong's as ***witchcraft*** in other places. Sorcery and witchcraft have no power over what God is doing in us. God has been doing his best to tell us over and over again that we have power and authority over all the power of the enemy and nothing shall by any means harm us!

Hear the voice of the Lord and hearken unto my commandments, then shall your peace be like a river and your righteousness as the waves of the sea. Many souls could have already been won if you had placed me first instead of your religious acts. Seize the power of my words in your ears and allow me to teach you. You have been detoured long enough. Now cease your alterations of my will for your life. My will must be done in your life. Your will in your life is a departure from the faith. It is a costly divergence that has held up love and grace in your life and the lives of others. The righteousness of the law is not fulfilled in those who walk after the flesh. It is only fulfilled in those who walk after the Spirit. Your departure from prayer was to mind the things of the flesh. Do not deflect into the paths of death. To be carnally minded is not life and peace. To be carnally minded turns you unto the law of sin and death. This is a deviation from true faith. You cannot please me if you walk in paths that branch away from obedience to the Spirit. The master of diversions uses good religious deeds

as bridges to his bypass of disobedience. These alternate routes appear to be good but are weak bridges that lead to bondage. The back road of disobedience to me is never the road to true service. You can serve a god yet think that you are serving me. You are known of me, so why turn again to the weak and beggarly elements of the hour?

**INSPIRATION**

By Don Grigsby

**RE: RHEMA - The Assistance of the Resurrection and Ministering Angels**

When Paul said that he desired to know the Lord in the power of his resurrection, he was not expressing a void of resurrection power. Peter called it a lively hope. There are dimensions of ecstasy and joy folded in the dimensions of resurrection power that transcend ordinary joy. Elisha's bones were so affected that a dead body touching them arose. When a person is even literally deathly sick, they have been known to rise up on their bed in the embrace of a special anointing and transcend states of consciousness beyond their normal healthy living. There is no power or circumstance that can divert the mighty rivers of the power of the resurrection in our lives. We are the ones who grieve, resist, and quench its liberating power. Promise and provisions of grace will abundantly bear fruit in the presence of the power of the resurrection just as Aaron's rod did. Angels have appeared as morning stars and the captains of armies. They have ushered people out of cities and out of jails. Angels can and will be a tidal wave of help and victory if we will be aware of the power that we have been entrusted with to direct their actions. We are living in the time of the harvest of the end time. Every promise will be fulfilled and the sweeping tide of the resurrection is at high tide right now. His word will not fail, but it will be fulfilled in its season.

## **PRAYER OF THANKSGIVING**

**By Jorge Sanchez**

**November 26, 2007**

I thank you, Lord, for granting me the ability to speak the word that is anointed by your Spirit. These anointed words shall swallow up all the lies of my adversary. You have used the iron rod of your mouth to defend and deflect every false accusation that has come up against me. I understand that sorcery and witchcraft have no power over what you are doing in me. You have told me over and over again that I have the power and authority over all the power of the enemy and nothing shall by any means harm me, and I rejoice. I know that you have set up a standard in the mist of a flood of powerlessness and silence. You have caused this flood to turn into a watering hole for me. Now I will rise up like a lion and devour the enemies' accusations by your word. Thank you, Lord, for the power of the spoken word.

## **PRAYER INSIGHT**

**By Don Grigsby**

***RE: PRAYER OF THANKSGIVING***

Everything that the enemy says to me to pull me down or upset me is a lie designed to defeat me. I will tell the enemy if he wants to lie

that I will answer every one with the spoken word of God. He has no answer for the word that will always cast him out. Mark Chapter one says that the enemy expected the work of Calvary to destroy him and it did. It is as if he has no power at all over us if we do not allow him to influence us to think so. We will boldly declare that the one who had the keys of death is a nothing and a nobody without the keys to his own house. He is defeated and we are victorious!

***Perfect Peace in the Midst of Repetitive Assaults of Fear, Nagging Agitation, and Torment***

**Series 5.11.27 – Letter #331**

I have shed my love abroad in your heart by my Spirit. My love keeps your heart free of fear. I have cleansed you of this tormentor who comes to constrict you in liberty. Do not accept his strangling tactics. I have given you life and that more abundantly. Do not allow him to hinder the free flowing of faith. Many are stifled in faith because they are being strangled by fear. This repetitive assault of fear is known of me; therefore, go on about my business and allow me to deal with this nagging agitation. I am making you perfect in love so that you will not fear. Your mind is being bombarded with tormenting thoughts each day to disturb your faith. Come from your faith to my faith, and then will your mind be settled and free from these intrusions that are meant to exhaust you. I am giving you perfect peace. Simply keep your mind on me and not on the news of the day. Many are being plagued by interferences caused by their trust in what they are listening to. Turn from the

news reports and hear the heavenly news report. There is light in the church. The darkness that you are hearing about is in the world. Cease teasing with this tormentor or he will break down your love and confidence in me. You say, ***“How have I teased with the tormentor?”*** I say, ***“Why listen to a monster that is on a leash?”***

I have unleashed my power, my ability, my love, my grace, my mercy, and my goodness in the earth. Then why concern yourself with the power of the devil?

If you come to this point simply to concern yourself with the impending doom of the hour and the anticipated agitation of the evil one, instead of the security that is in me, you will frustrate my grace. My grace is sufficient for you. Now be about my business in the earth. Do not be distracted by trouble, which is fostered by the tormentor. There is no fear in love, but my perfect love casteth out fear. I will not leave this tormentor in your ears or in your presence. Be thou made perfect in love! Now be as I am. I am peace; therefore, have boldness in this hour and in the day of Judgment. I have delivered you out of the hand of your enemies so that you might serve me without fear, in holiness, and righteousness before me all the days of your life.

In times past, you sat in darkness and in the shadow of death, but now you are directed in the way of peace. You have not received the spirit of bondage again to fear, but you have received the Spirit of adoption, and you by it cry, ***“Abba, Father.”*** You are a child of God, not a child of the world. You are born again and an heir of God. I have not given you the spirit of fear. I have given you the spirit of power, of love, and of a sound mind. Now know that I have saved you and called you unto a holy calling, not according to your works but according to my own purpose and grace. This was given to you in Christ Jesus before the world began. Jesus Christ has abolished death and brought you life and immortality to light through the gospel. You are a preacher of this glorious gospel. Now go share the good news with the lost and those who do not

understand what they have. I am able to keep that which you commit unto me. Hold fast the form of sound words and do not be inclined to speak after the voice of fear. I am in you and you are in me. Act like it. You have received a kingdom that cannot be moved. Everything that can be shaken will be shaken, but those things that cannot be shaken shall remain. You have an abundance of grace, so serve me with reverence and godly fear. I am a consuming fire. Allow the fire of the Holy Ghost to burn up fear and torment.

Do not listen any longer to the dreadful sounds in your ears. There is prosperity in the kingdom of God. The destroyer shall not come upon you. Do not allow trouble and anguish to make you afraid. You are secure in me. I am your King and I do battle for you. I will never lose a battle. I am fighting for you. Now be at peace. This enemy that roams about will not bring you down to desolation. This will not be a bad dream that you will awaken to and find out that it is real. I am the strength of your heart and your portion. Draw near to me and place your trust in me. I will not fail you; therefore, ***“Be thou comforted!”***

## PROPHETIC INSIGHT

By Don Grigsby

**RE: RHEMA - Perfect Peace in the Midst of Repetitive Assaults of Fear, Nagging Agitation, and Torment**

In 2 Samuel 21:18, we can read of Ishbi-benob who was a giant brother of Goliath being slain by Abishai. **Abishai's** name means **a gift or the father of gifts**. Jesus said if we being evil knew how to give good gifts to our children, then he as our heavenly Father would much more give gifts to us. When Ephesians speaks to us, it tells us that when Jesus ascended on high he led captivity captive and gave gifts unto men. Our heritage with Jacob is the high places of the earth. Habakkuk speaks of the entire agriculture picture being empty of any crops and herds at all. Yet God would make our feet like hind's feet and make us to walk on our high places. The **giants** name here means **a dweller in high places**. We will meet that spirit in high places that will try to keep us out, but we will slay him with the stone of Jesus as David did Goliath. We are lively stones from the Living Stone. Yet this giant's name has a more evil side to it. It also means **one who dwells at Nob**. After David went to Nob, which was a priest city, and retrieved the sword of Saul, Saul found out about it. News was brought by one by the name of Doeg. Saul had all the priests slain by Doeg in I Samuel 22:17-19. **Doeg's** name means **anxiety or sorrow**. We must cease to listen to the voices of those that are related to today's Doegs. God's gift will destroy the giant and Doeg every time! The Prince of Peace will fight the battle of fear and anxiety for us every time. Gideon who had voices of question in his mind was assured that the Midianites would be destroyed completely and God would restore all the blessings that had been stolen.

## EXCEPTIONAL EXPRESSIONS

### PROPHETIC BITES

By Moses Hightower

There will always be a fork in your path. Adam was not deceived. He came to a fork in his path and followed the divergence of his wife. Do not be distracted with others. Many have become sport and amusement for spirits because they have followed others who fulfill the lust of their flesh and the pride of life. Many are victims of the bright lights of religious glory that have been set in the world as advertisement for the devil's entertainment. Samson became a sport for his enemies because he allowed Delilah to entertain him for a price. He was amused with her show and allowed his strength to be dissipated in her theater of lust and pride. Her entertainment became his altar instead of the altar of the living God. If you are living in the Spirit, then walk in the Spirit. The entertainment of the devil will only bring weariness and fatigue to your body. After his presentation in the darkness of carnality, he will depress you with condemnation. After his production that has left you worn out and emptied of strength, which you should have given me, he will mock you in his finale. He will give you the lead role in his show each morning if you will distribute prayerless flyers advertising religious concerns. Do not be ridiculed in the enemy's mockery of Holy Ghost praying.

If I am living in the Spirit, then I will walk in the Spirit. The entertainment of the devil will only bring weariness and fatigue to my body. After his presentation in the darkness of carnality, he will depress me with condemnation. After his production that has left me worn out and emptied of strength, which I should have given God, he will mock me in his finale. He will give me the lead role in his show if I will distribute prayerless flyers advertising religious concerns. I determine not to be ridiculed in the enemy's mockery of Holy Ghost praying.

***RE: RHEMA - Enabling Grace and Sacrificial Love Made Available in the Shower of Love, Hope, and Faith***

Lies are the vernacular of the enemy, but love and grace are the colloquial speech of heaven. Our vocabulary does not include the verbs and nouns of false concepts. Truth and faith are the sentence structure that we rehearse. We allow the Spirit to sing its songs of assurance, and we have not learned its phrases and seized its promises. A vast storehouse of promises is in the precious word that we need to bring forth as ready scribes the things both old and new. We are washed by the Rhema word of regeneration. Love takes the washcloth of faith and washes away the hopelessness from our soul and spirit. Hope is the refreshing perfume of the presence of the voice of the creator that we spray all around us. Ephesians 3:20 is a prayer or a benediction in form. Let its form not fool us. It is the powerful pronouncement of the blessing of

God in advance. Prophetic words are nowhere more powerfully stacked in syllables. To literally translate, it says from the Greek that God is able to do SUPER, SUPER, SUPER EXCESSIVELY BEYOND WHAT WE ASK OR THINK. THIS IS ABOVE THE FOUR DIMENSIONS THAT PRECEDED THIS STATEMENT. One version says that it is infinitely more than we would dare ask. The Message version exclaims it is more than we would ever imagine or request in our wildest dreams. Abraham saw cities with foundations in a time when no cities had true foundations. Grace and love have picked us up in the chariot, whirled us through time, and is letting us see past the curtain of the end into the endless future. We have not been left at the mercy of menacing, malevolent threats, but we have been marched triumphantly into the galleries of the miraculous.

## **PRAYER OF THANKSGIVING**

**By Tony Johnson**

**November 27, 2007**

Lord, I rejoice in the perfect peace that you have given me this day, and I appreciate your grace that keeps my mind stayed on you. I am evil and know how to give good gifts to my children, but there is no evil in you and much more better gifts will you give. I thank you for

being faithful to give me good things when I ask of you. O how great is your faithfulness. I cannot tell it all. The victory that you have won on my behalf has caused me to leap with the feet of a hind on the high places you have provided for me to dwell. I am grateful for the measure of faith you have given me to go forth and possess the land where giants once dwelled. Faith in you has granted me the vantage point I now have to step out and view the valleys from these high places in the Spirit. My heart is overwhelmed with thanksgiving every time I think of the many Goliaths you have slain for me. I purpose not to worry in the future, but rather I will throw my rocks directly at the head of my problems. Lord, you are my Rock and the Living Stone that has made me a lively stone with power from on high. I offer praise unto you, my King, for the restoration of every blessing that was stolen from me. Thank you Jesus!

The enemy has shrouded minds with a false concept of my purpose and turned many people aside unto a wrong purpose. He has twisted the meaning of my coming and given many a misinterpretation of the gospel. This is an adulterated form of the gospel. It is depraved. Do not lose your position, neither allow your worth to be commercialized during this time of the year. The enemy seeks to destroy the purity of the church and make your faith ineffective. This pollution of true holiness and true righteousness has caused many to present me as a Christ in filthy rags. I am true and holy; therefore, my bride is true and holy. Now be true and holy. Many have been brought to dishonor and been discredited because they sought righteousness without true faith. The times of fear spoiled their faith and they sought righteousness with zeal motivated by fear. Allow reverential fear to abide, but refuse to be afraid and frightened by anything. Danger is not a reason for alarm. I have said, **“Do not fear.”** Meet these times with courage, not with dread and panic. I have given you the mind of Christ. Now reason from my divine mind and receive the mastery of fear given by grace and the ability of God.

Terrorists are really cowards hiding behind a corrupt view of me. You should reject the extreme degrees of fear fostered by them, for I have given you peace in me. The peace of God rules in my kingdom. You are in a kingdom that is ever increasing. It has no ending, for I am eternal. Look unto the glory of God and behold my power and might. I am

supreme and cannot be defeated. Look unto me, the author and finisher of your faith. I started a good work in you and I will finish it. I have granted you peace. I am peace. You are one with me. Have I given you less than what I am?

The trouble in the world is designed to create a strain in our relationship. It promotes disharmony between you and I. I have not become hostile toward you because trouble is rampant. This discord should not encourage you to accept the pressure of fear, but the discord promoted should cause you trust me more. I will take this time of delinquency and show how honest I am. Look up and behold the glory of your God as I bring peace that passes all understanding. I will turn this horrendous nightmare into a glorious, wonderful reality. This frightening fog shall become the habitation of an amazing truth. I will bring perfect peace to the minds of my people, and they shall abide here in absolute harmony with me. Behold the peace that I give. Now I send you forth into the world to carry peace unto a troubled world, not as the world gives, but the peace that only I can give. Go. I am the Prince of Peace.

***RE: RHEMA - Christ Will Turn This Horrendous Nightmare into a Glorious Reality, and It Shall Become the Habitation of an Amazing Truth***

Israel's nightmare at the time of Gideon became the Midianite's nightmare. God promised victory of massive proportions in a bad dream in the enemy's camp. A barley cake turned the camp of the enemy into total defeat, and the interpretation was the sword of the Lord and Gideon. Just as God put fear into the hearts of those in Jericho, he will also cause the devil to flee before us if we will resist his ploys. Truth has made us free from the devil's illusions that would create fear in our lives. We are framing every event with faith and not fear. In the Hebrew language, **Midian** means **that which would argue, debate, fuss and brawl with us**. The battle is the Lord's. We need to stand as Gideon and the 300 and break our empty pitchers of concern and lift up the torch of revelation and shout the Rhema expression that God has given us. It is then that Isaiah 10:26&27 will take place. God says that just like the slaughter of Midian and the defeat of Egypt at the Red Sea that the anointing that God has given will destroy every yoke of fear and concern. The Promised Land is ours and we will occupy it in peace and not in fear.

Return to effectual praying in the Holy Ghost where you may build up yourself. Return to true prayer in the Spirit. I have poured the spirit of grace and of supplication upon you this morning. Now cast out all these diversions from the true path of prayer, and allow the Spirit to help your infirmities. The Spirit desires to make intercession for you with groaning that cannot be uttered. ***RE: RHEMA - The Voice of the Spirit Declaring Faith as a Weapon at the Table of Voices***

Faith may be described as a shield, but it is a ballistic missile with multiple warheads when it is loosed in prayer and worship. For too long, we have been only reactive and not proactive in faith. We need to demolish the devils maneuvers before he can march. We need to step to the balcony of everyday and declare that it belongs to God and that there are no trespassing signs posted at every door that is covered with the blood of the Passover Lamb. He will prepare a table of faith and not famine in the presence of our enemies. Enemies in the Hebrew in this verse are not armed soldiers, but they are pressures, stresses, and troubles. Our feasting is upon the living word of power and faith. Other voices will try to distract us and get us to think in doubting mind-sets. Our minds are made up. We have heard the voice of him who stills the waves and winds. He taught the apostles that after he cursed a fig tree that they could speak to the mountains of impossibility and they would be removed. Faith's voice will not only loose the spear of victory into the enemy camp, but it

will, as Samson did with foxes, set the fields of enemy harvests afire with the arrows of faith.

***God recently spoke to us and said, "Have you ever considered how much power that I have? You try your best to measure it, and you fall on your devices of measure in frustration. You try to see the ends of my power, but you cannot see the beginnings of it. I have surrounded you with so much power that if the enemy would try to swim to attack you, he would drown. Keep exalting me and praising me, and I will fill the channels of your life with so much power and demonstrations of power that you will constantly be in awe and awash in the overwhelming greatness of all that I am."***

When God thunders marvelously with his power and does things that we cannot comprehend, no other voice matters at all.

## PRAYER OF THANKSGIVING

By Rigo Toledo

November 28, 2007

I praise you today for the protection and grace that you continually provide for those called by your name. Your name is to be feared from the west and your glory from the rising of the sun. When my enemies come in like a flood, your Spirit shall lift up a standard against them. Vengeance belongs to you. The battle is yours and not mine. I am grateful that you have sent goodness and mercy to follow me. I thank you for providing me with safety. I am encouraged in you today, for greater are you who is in me than he that is in the world. I have your Comforter to reassure me of your great love. I praise you, Lord, for assuring me that you would never leave me nor forsake me. I refuse to fear the terrorists of the day, but rather I place my confidence in your mighty hand. You are the Almighty; therefore, I can rest in your hands of safety, for your grace will keep me there. Thank you Jesus!!!

God has promised to execute judgment and to avenge his elect. God is sure to do it well and in his way and time. He is a wall of fire around us and consumes the serpents that we shake off into the fire of revival in our lives. Grace is more than just a ledger of endless forgiveness. It labors and works on our behalf in the worst battles of our lives. Grace was sufficient for Paul with his thorn in the flesh. Others can be a thorn in our side, but he who wore our thorns will defeat the poison they would place in our lives.

### ***Beware of the Spirit of Error, Which Is the Spirit of Antichrist***

Series 5.11.29 – Letter #333

I have given you light in this time of gross darkness. Allow the light to shine in you so that truth may be made manifest without the shrouds of unbelief. You have the true light. Now go and shine for me. I have loved you with an everlasting love. Nothing can change that. If men choose to be against you, then that is their problem and not yours. Do not allow the despite of men to hinder you or to arouse hateful feelings in you. Pray for those who despitefully use you and you will remain clean of hate. They do not know what they are doing; therefore, pray for them as I prayed for those who crucified me. I have a job for you to do; therefore, do not be hindered by feelings toward others. Take nothing personal, for it is I that they truly despise. You are the one they can see, therefore, is their hate vented at you. Take nothing personally. You are taking these things for my name and me. I have appointed these things so that you may be perfected in me. Without the true light, you would walk after the flesh and reap corruption. Do not be led by men, neither by assumptions. As many as are led by my Spirit, they are my sons. You know my voice; therefore, do not be enticed by the spirit of error, which is the spirit of antichrist. Antichrist has come to seduce my people into the path of error. Do not follow them, for there are many well-meaning people who have gone down the path of error following a voice that they have mistaken for my voice. My sheep know and hear my voice. The voice of a stranger will they not follow. I have brought you into the marvelous light of my name and my voice. Walk after the spirit of truth and do not be enticed to walk after the voice of the flesh.

I have opened your spiritual eyes to see and your ears that you might hear. Your understanding is opened. Now by understanding lead my people in the plain path and do not be corrupted from the simplicity that is in me. Learn from Eve's mistake. She was deceived. Adam was not deceived. The woman being deceived was in the transgression. I am jealous over my body with a godly jealousy. I have espoused my body to me and me alone. I will receive her as a chaste virgin to myself. Serpents are seeking to deceive and beguile through subtlety; therefore, guard your mind so that it will not be corrupted from the simplicity that is in me. Antichrist has sent forth another Jesus. Do not receive this spirit or another gospel. If you do, ye will have to bear with him. Remember: the serpent said unto the woman, **"Ye shall not surely die."** He beguiled her. He led her astray by deluding the truth. Do not be seduced by the spirit of antichrist that works in the earth. Many are being beguiled and are eating from the trees of unbelief. You cannot eat of the tree of life and the tree of unbelief. You cannot drink of the cup of the Lord and the cup of devils. You cannot eat of the Lord's table and the table of devils. Choose this day which table you will eat from. Am I your Lord or do you have another lord?

Choose this day who you will serve.

***RE: RHEMA - Beware of the Spirit of Error, Which Is the Spirit of Antichrist***

God placed Adam and Eve in the paradise that would have been an extension of heaven on the earth. Another voice invaded the peace. Enemies will always try to lure us aside, outside the gates of our city of refuge. Eve should have told the devil to shut up and clear out. However, she allowed her senses to be captured by the voice that she was hearing. Many lovers would vie for our attention. We need to be as the bride in the Song of Solomon and say, "Stir not up nor wake my love, till he please." God showed up the same time and the same place to speak with the first couple even after they had sinned. No devil will ever come to us with words after we have sinned. Satan will only laugh at us and mock us. Antichrist is the very opposite of the word made flesh. It is a lie made flesh. We have the witness of truth in us by the Holy Ghost. Our spirit should bear witness with the right spirit

and be able to try the spirits that are speaking to know if they are of God or not. The voice of revelation is in our lives. We will not entertain the frauds and pretenders of this hour.

***RE: RHEMA - Towering Grace Expressing the Value System of God at the Doorstep of the Amphitheater of Departure***

When grace stepped into the arena of time, condemnation melted into a corner like a shadow. Darkest nights became blazing sunrises upon the darkened valleys of sin. Distress and despair's deserts became a garden in floods of the rain of mercy that would never quit. Evil thrones were emptied, and thrones melted into the pavement of flaming crystal as grace ascended the throne of the universe. Heaven gasped as all beheld him who sat upon the throne of ancient days. Earth became a clear mirror instead of a marred canvas as it reflected his face, but it was really mine! All of us looked up out of awful dread and judgment's chains as freedom's vocabulary filled the air with liberty's shouts. Grace has rewritten our story. We became a story of redemption and not a vanishing chapter in the book of hell's horror flicks. When this realization grasps us, we are launched into an orbit that is beyond the gravity of negative thought. We soar on the wings of eagles above the mundane and menial.

God has taken the judgments of limited things off the table of our lives. Grace has spread the design of a life that has an intended great finale to it. We have not been laid out to be dissected by failure. We have been lifted up to be vaulted into the leaping and dancing gyrations of the loved and loosed. Grace is playing the songs of forgiveness, and love is singing the new songs of accomplishments to come. Orchestras of faith are filling our hearing

with songs of victory. This world can have its dirges and listen to its commentary of chaos and cataclysmic disasters. We are rejoicing with heaven in another language and citizenship of the eternal blessing that is residing in our lives. Wrong attitudes are not our authority. Only the One who is filled with grace and truth can sit on the throne of our lives that was created for him. All other pretenders are trespassers and need to be quickly evicted from our lives.

Make a way for love in your heart by the issuing forth of thanksgiving. How can love abide in a heart that is not filled with thanksgiving?

Fill your heart with thanksgiving and my love will make a permanent abode there. Not only give thanks unto me, but also be sincerely thankful in your heart. I am seeking the true worshippers in this hour. I am filling them with power to worship in spirit and in truth. Many worship in truth but are powerless to worship in the spirit. I have taught you to worship in spirit, and I have endued you with the grace to worship in spirit. This platform of worship must not be forsaken for the dead forms of worship in the earth. I have not substituted powerless forms of praise and worship for living worship and praise. Refrain from dead works, for I am not pleased with them. I have given you life and that more abundantly. Allow life to flow in you, and then will you satisfy me, the living God.

I am a Spirit. They that worship me must worship me in spirit and in truth. You cannot please me unless you have faith. I have given to each of you the measure of faith. Faith without works is dead. Go and preach this. Go and preach that they must allow faith to live in them or they will not please me. A living faith will produce every miracle in my storehouse for you. It is the hour of miracles. These signs shall follow those who have faith. Without faith, you cannot please me. I have not given you a dead faith, but the faith that I have given is alive. Go and activate your faith with works and behold the wonders of God. Multitudes wait to behold my wonders. My people have held back the wonders because they have not allowed their faith to be expressed. Go and teach the people the power that is resident in the confession of faith.

Many have allowed the seed of the word to be taken out of their hearts. Some have no place in their hearts for the word to take root and temptations have come and led them away. Others have too many cares, riches, and pleasures of this life in their hearts; therefore, these thorns prevent them from bringing forth fruit unto perfection. Teach the people to be of an honest and good heart so that they will hear the word, keep it, and bring forth fruit with patience. Everyone who has received me is

given power to become the son of God, even to them that believe on my name. They are born of God. To them is given power to do truth so that they may come to the light and that their deeds may be made manifest that they are wrought in me.

Take heed of the evil heart of unbelief, which is a step in departing from me. Examine yourselves to find out if there is an evil heart of unbelief in you. Many have become hardened through this deceitfulness of sin. They cannot hold the beginning of their confidence steadfast unto the end. This grieves me. They will not enter into my rest if they are filled with unbelief; therefore, draw near with a true heart in full assurance of faith having your hearts sprinkled from an evil conscience and your bodies washed with pure water. Hold fast your profession of faith without wavering. I am faithful. I promised and I will perform. You are justified by faith in me. If you seek to be justified by me and are found a sinner, am I therefore the minister of sin? God forbid. You are crucified with me, nevertheless you live, yet not you, but Christ lives in you and the life that you now live in the flesh you live by the faith of the Son of God, who loved you and gave himself for you. Do not frustrate the grace of God, for if righteousness comes by the law, then Christ is dead in vain. Be found in Christ not having your own righteousness but that which is through the faith of Christ, the righteousness that is of God by faith. Then you will know me and the power of Christ's resurrection and the fellowship of his sufferings.

My word is nigh you. It is in your mouth and in your heart. Confess with your mouth the Lord Jesus and believe in your heart that I raised him from the dead, and then you will be saved. With the heart you believe unto righteousness, and with your mouth you make confession unto salvation. If you shall confess that Jesus is the Son of God, God dwells in you and you are in God. Go and teach the people of the power that is in this confession and behold the change in their lives.

I will make a way for love in my heart by the issuing forth of thanksgiving. Love cannot abide in a heart that is not filled with thanksgiving. I will fill my heart with thanksgiving and God's love will make a permanent abode there. I will not only give thanks unto the Lord, but I will also be sincerely thankful in my heart. God is seeking the true worshippers in this hour. He is filling them with power to worship in spirit and in truth. Many worship in truth but are powerless to worship in the spirit. He has taught me to worship in spirit and he has endued me with the grace to worship in spirit. This platform of worship must not be forsaken for the dead forms of worship in the earth. The Lord has not substituted powerless forms of praise and worship for living worship and praise. I refrain from dead works, for he is not pleased with them. He has given me life and that more abundantly. I allow life to flow in me. Now I can satisfy Jesus, the living God.

***RE: RHEMA - An Activation of Faith Leads to a Good Confession of Faith***

David's faith had been activated in the field with the sheep when the Lord came upon him to help him slay the lion and bear. Faith was active on a daily basis in his life. When David came to the battle with the Philistines he said, ***"Is there not a cause?"*** **Cause** is the Hebrew word **debar**. It means to speak to subdue or have dominion. Shouting for the battle was a part of psychological warfare. One would announce to the other army what they would do to them to place fear in their minds. When the real fight was to begin it was David who had the bold words of feeding the entire army of the Philistines to the birds that day. His faith that was being activated on a daily basis produced a powerful confession of faith. We need to daily speak the words of faith. 2 Corinthians 4:13 describes the fact that we have the same spirit of faith; we believe and therefore speak.

You are marked for communion with the darkness. I have chosen the morning for communion with me. The morning to these thieves is as the shadow of death. They are swift as the waters. Their portion is cursed in the earth. They are as the grave, for they are cold and destructive toward the things that are of life and godliness. Arise from your bed with praise on your lips, and the thief shall not enter in. Seek me early, and the bread of the morning shall be your strength and your guide. Many do not know what they have lost in the bundles of time that they squander each day. Their habits of squandering shall be their snares in the hour of my coming. Watch, for you do not know what hour that I am coming. If the good man of the house had known in what watch the thief would come, he would have watched and would not have suffered his house to be broken up. Be ready, for in such an hour as you think not, the Son of man will come.

**RE: RHEMA - The Body of Christ, the Rescue Team During Spiritual Quake Hopelessness**

Every believer since Job has had the sense of being without help and alone. Never a greater lie was spawned by the devil. Our God will never leave us or forsake us. He is eternally Jehovah Shammah, which means the Lord is there (**Always**). Storms may rise and the waves may lift us up to the heights and down to hell itself, but when we cry to the Lord, he brings us out and into our desired haven. David spoke of the earth shaking and trembling, which was certainly describing an earth seismic event. As we are bound together in worship and prayer, so are we in the time of upheaval. Though the mountains may fall into the sea, he will preserve us and bring a host to intercede for our deliverance. We as the body of Christ are the first responders to those who are in the family of God and to those who are crying out for help. Many feel like they are being hurled over the precipice of eternity without hope. Their cries fill the air all around us. We know and have a Savior who will deliver and rescue if we allow him to work through us. Many have fallen into the pits of traditions and religious abuse. Grace has a household of faith that they can come and find the loving arms of the Savior and his saints. Our prayers and intercessions are the torch light of their path to the place of deliverance.

November 30, 2007

Lord, I thank you for endowing me with the same spirit of faith as my forefathers in the spiritual lineage and the patriarchs of old. You have given me the faith of Abraham, Issac and Jacob. I believe in my heart that you were born from a virgin and lived a sinless life. You were wrongfully charged and sentenced to death. You were crucified, buried, and arose the third day. I believe that you are the resurrection and the life. Now with this great confidence that I have, which is based on your faithfulness, I know in my heart and mind that you will fulfill and perform the promises that you have made to me. I stand fast in full assurance of your victory and supreme authority over all things. Your authority over all includes heaven and earth. It also includes principalities and dominions. All things are subject to you. You have placed your word in my heart, and now out of the abundance of my heart do I proclaim my agreement with what you have ordained for me. You are the champion over all, and I am on your side being born again into your family. Thank you for your patience and mercy. Thank you for purchasing my victory with your blood.

We have the same spirit as David who wrote the verse in Psalms that is quoted in 2 Corinthians. We believe and therefore we speak. When did David speak? When he asks if there was not a cause. Shouting for the battle was part of warfare. The word **cause** is the Hebrew word **Debar**, which means **to speak to take dominion over**. We speak the word of faith and our God takes the dominion over the situation and we have the victory.

***The Power of Love Rules over  
the Destructive Power of Hate***

**Series 5.12.1 – Letter #335**

The ruthlessness of hate is placed on display for the whole world to witness. Now will I show that the power of love is a bright light so that the world might see the glory of love. The scheme of hatred attempts to solve the world's problem from the foundation of an evil motive. It is perverted and wicked. Hatred will never trust love and love cannot trust hate. What fellowship has the darkness with the light?

Hate is void of true order. It is very destructive. It will destroy everything in its path. The rage of hatred is worse than any storm. There is nothing that can calm its rage but love itself. Do not stand in rage's path in your own strength, for it is a destroyer. Simply wait on me, the Lord of glory, and I will deliver you from the clutches of hate. The agents of love, which are angels, fight on your behalf. They encamp round about you, for you fear me. They will deliver you. They are ministering

spirits sent forth to minister for you, an heir of salvation. They are divinely appointed to assist and liberate you from the grasp of hatred. Hatred is a lie. Many buy this lie each day. Guard your heart so that hatred is not subtly planted in your heart. It is an evil seed sown by the wind of evil principalities. I have sent the angel of deliverance among you to lead you out of the bondage of hatred. Sometimes life hangs on a thin thread. Your thin thread is trust. Trust in the Lord with all your heart and do not lean to your own understanding. I have strengthened your heart; therefore, do not be weary. Deliverance is working on your behalf. Hatred is doomed, for no one can win against love. Love is light, and just as in the beginning, the Light moved upon the face of darkness and said, **“Let there be light,”** and there was light. Now you may go and say, **“Let there be love,”** and there shall be love. Have faith in me. I am faithful.

***RE: RHEMA - The Power of Love Rules over  
the Destructive Power of Hate***

Hate never won a war in all of history. Love has defeated the armies of time and man. Calvary nailed all the hate of mankind to the cross, and then love led man out of the caves of its torture into paradise. Many give in to the tricks and deception of hurt and hatred. Jesus said that in the last days that men would be offended, betray one another, and then hate one another. **Offense** in this statement is the Greek word for **a trap stick**. In other words, the thing that offends us is the stick that will open the pit of our destruction. Bait that is very enticing is always tied to the trap stick or string. Yet just like a wire that is tied to a mine or

explosive, it is not the wire that will hurt you but what it is attached to. Offense will not hurt you, but the hatred that is attached to it will consume you. In I John, the writer says that the one who hates his brother is a murderer. **Hate** is the Greek word in the epistles of John that means **to love less**. If we allow anything to cause us to love others less, then we are giving in to the spirit of death. Love will always forgive and allow you to live where hate would dig a grave. Love is not on the grave digging detail but on the resurrection crew.

***RE: RHEMA - The Minister of the Sanctuary  
in His Sanctuaries of Worship and Praise***

We are the temple, tabernacle, house, dwelling, and sanctuary of the Holy Ghost. Each one of these focuses our attention on the fact that we are the temple of the living God. It is a spiritual fact that the Shekinah of Glory rested on the tabernacle above the ark of the covenant and in the temple. **Shakan** is the Hebrew word that means **to dwell**. Shekinah is not in the text, but the word Shakan is in the text over and over again. In Psalms 29:9, it is declared that in the temple of the Lord, every one speaks of his glory. This is indicative of worship and praise. Isaiah 4:5 declares that God will create a powerful and visible fire upon every dwelling in Zion. According to Hebrews 12, this is everyone in the true church. Fires of powerful deliverance and victory were the experience of those in the Old Testament. Moses had his burning bush. Abraham had a burning lamp that went through his sacrifices. Elijah had Carmel's altar consumed with fire. Elisha had chariots of horsemen and fire all around him. Isaiah had the coal of fire to cleanse his lips. Jeremiah had the fire shut up in his bones. Ezekiel had a whirlwind of fire down by the river. Daniel had the very throne of the Ancient of days on fire. John the Baptist said that Jesus would baptize us with the Holy Ghost and fire. All these manifestations were visible and dynamic in their impact and result. All of them were great fires of deliverance and not of trial or judgment. We have come to the

time of the consuming fire of the threshing floor. All the things that are not harvestable will be consumed with power and glory. In the last three weeks, we have had 37 men to receive the Holy Ghost in the prison. As we turn loose and loosed ourselves from every yoke, the fire of worship will cleanse every sanctuary. Every Korah will be exposed as we worship, and the Lord will swallow them up. In all these prison units where we are seeing the revival, there is intense worship as I have never seen. We are seeing doctor documented healings from cancer and baptism in the name of Jesus. If we can ever learn to not be distracted from ministering to the Lord in worship, we will consume all the forces that come against us.

Lord, I thank you for love today. Your grace delivered me from hate and for this I am grateful. Love defeated hate and delivered many from its torture chamber. Hate is a trap to those that have become offended. By grace, I will not fall into the trap that hatred has hidden under the bushels of hurt. The light of love has shined upon these traps and revealed their

location. Thank you for sending angels to fight on my behalf. I am blessed to know that you have spoken love into my life just as you have spoken light into the world.

Hate is the unforgiveness in our lives wanting to be judge and executioner. God did not call us to be prosecuting attorneys. We are to be a mercy seat for those who have hurt us. We are to make intercession and an atonement in the incense of praise that we offer for them, even as Aaron did for those who sided with Korah. Many things may come against us, but if we are thankful for the grace and mercy of God in our lives, we will freely measure unlimited forgiveness to others.

In me, there is peace. I have given you peace that passes all understanding. You have the peace of God. It is keeping your heart and mind through Christ Jesus. You have become acquainted with me; therefore, you are at peace and good has come unto you. I have given you an intimate knowledge of me. I have given you quietness. Now who can make trouble for you?

The hypocrite will not reign. If he does the people will be ensnared. People who were once friends have been led into bitterness and resentment because of false leadership. I am

giving my people shepherds after my own heart so that they may dwell in peace. I will hide my face from the false shepherds, and I will hide my face from the nations that dwell in hypocrisy. Who can behold me when I hide my face?

I have blessed my people with peace and given strength unto them. I have spoken peace unto them. Go and tell them not to turn again unto folly. My salvation is near them that fear me and glory dwells in their land. Mercy and truth are met together. Righteousness and peace have kissed each other. Truth has sprung out of the earth by the resurrection of Jesus Christ. Now righteousness looks down from heaven. I am giving that which is good and your land is yielding its increase. My righteousness is going before you and setting you in the way of my steps. I will keep you in perfect peace if your mind is stayed on me. Trust in me and do not lean to your own understanding. I have ordained peace for you.

I am the Lord. I form the light and create darkness. I make peace and create evil. I do all these things. Hear my commandments and your peace shall be like a river. Your righteousness shall be as the waves of the sea. Your seed shall be as the sand and the offspring of your bowels shall be like the gravel thereof. I will not cut off your name nor destroy it from before me. The wicked shall never have any peace, for there is no peace unto the wicked. My word has gone forth out of my mouth. It shall not return unto me void, but it shall accomplish that which I please. It shall prosper in the thing where I sent it. You shall go out with joy and be led forth with peace; even the mountains and the hills shall break forth before you into singing. The trees of the field shall clap their hands. Instead of the thorn shall come up the fir tree and instead of the briar shall come up the myrtle tree. It shall be to me for a name, for an everlasting sign that will not be cut off.

I, the Lord, do create the fruit of the lips. I have given peace to them that are afar off and to them that are near. I have sent forth my healing into the land, but the wicked are like

the troubled sea, when it cannot rest, whose waters cast up sludge and filth. There is no peace to the wicked. To my body, I have brought well being and restoration to health. I will cure them and will reveal unto them the abundance of peace and truth. I came into the world to prepare these things for you. I came to give light to them that once sat in darkness and in the shadow of death. I came to guide your feet into the way of peace. Do not be detoured into the way of violence. I have closed off that path and led you in the way of perfect peace. Peace be unto you today and forevermore. Glory in the highest and peace on earth and good will unto you. My peace have I given unto you, not as the world gives, but I give my peace unto you. Now do not let your heart be troubled, neither let it be afraid. Though you have tribulations, be of good cheer, for I have overcome the world. Now grace and peace be unto you. You have the peace of God and are justified by faith. You have access by faith unto the grace of God and you stand in this grace. Now rejoice in hope of the glory of God. Follow peace with all men, also holiness, for without them no man shall see me. Now rejoice in the peace of God.

***RE: RHEMA - Peace That Passes All Understanding in the Midst of Terror***

All the disciples were not novices when it came to storms on the seas of their land. Many of them were fishermen that knew the dangers of the sea and had survived many storms. So when the disciples said that they felt like they would perish it was no small thing.

What a display that was made of Jesus' power over the storms of this world and the forces of nature for him to say, "**Peace be still!**" Peace will not only calm the sea but will also restore our sense of well being. In the Amplified version of Philippians 4:7, we are told that the peace of God will garrison and mount guard over our hearts and minds in Christ Jesus. When Jesus said that we should not let our hearts be troubled, he was speaking of not allowing the winds of opposition to arise in our minds and spirits. We love God's law, and we therefore have perfect peace with no offense. Our minds are fixed upon and therefore have perfect peace. Peace is not a trinket that we wear but a treasure that abides within us. Our spiritual mind is the safe harbor for our thoughts. Carnal minds are a turgid sea of confusion. Peace will prosper in the hands of those who make and speak peace to everyone around them.

**PROPHETIC BITES**  
By Moses Hightower

I am coming as a thief in the night. Many will be caught unaware because they do not watch with their loins gird about and their lights burning. I am returning soon. You must be ready when I come and knock so that you may open unto me immediately. How will you be ready in a moment, in a twinkling of an eye, when you cannot arise for prayer?

Blessed are those that are found watching when I come. Watch and pray so that you will be counted worthy to escape all the things that are coming upon the earth. Be ready, for I will come at an hour when you think not. Be fully aware of my presence. You have entered by the door. I opened the door and allowed you to hear my voice. I have called my sheep by name, and I will lead them out of this world. The stranger has diverted many and changed their direction for the morning. Behold the traffic of believers diverted through the side streets of confusion and wasted time. Go and

direct them back to the main road of prayer where the voice of peace is heard.

I purpose to go and direct them back to the main road of prayer where the voice of the peace is heard.

**RE: RHEMA – *Spiritual Stability Is Rooted in God and His Righteousness***

Winds of change and ground shaking movements will never remove those who are anchored to the rock of our salvation. We find safe harbor in the leadership of the Holy Ghost alone. Our ways are not the paths and methods that the Lord has chosen. Abraham was in the midst of some of his greatest trials when he lost his focus on the promises of God.

When he began to deal with people and try to work out his own scheme of things, he began to listen to fear instead of faith. As long as he heard the voice of faith, he had his Jehovah-Jireh experiences. Our feet must be established on leadership and sensitivity to the Holy Ghost. God's promptings and stop signs must never be ignored. Everyone who is led by the unshakable directives of God will be continually giving all the praise and the glory to the Almighty One.

◆ The ruthlessness of hate is placed on display for the whole world to witness. Now will I show that the power of love is a bright light so that the world might see the glory of love. The scheme of hatred attempts to solve the world's problem from the foundation of an evil motive. It is perverted and wicked. Hatred will never trust love and love cannot trust hate.

**PRAYER OF THANKSGIVING**  
By Marco Mendoza

**December 2, 2007**

I thank you, Jesus, for the awesome display and example of your power over the storms of this world and the forces of nature that are recorded in your word. I am encouraged and my faith has increased. I believe you when you say, "Peace be still!" in the midst of any storm in my life. I praise you for the peace that not only calms the sea but also restores my sense of well being. I am

comforted by the fact that this same peace is a defense force and a mounted guard over my heart and mind. I am grateful that your grace causes my heart not to be troubled and does not allow the winds of opposition to arise in my mind and spirit. You are so good and kind and have placed within me the ability to love your law; therefore, I have perfect peace. O Hallelujah! I thank you so much for granting me a spiritual mind and removing the carnal mind, which is a sea of confusion, far from me. I magnify your holy and awesome name!

**RE: PRAYER OF THANKSGIVING**

Jesus was asleep in the boat and there arose a storm in the life of the apostles. We make instant observations of the obvious too many times. It appeared that Jesus did not care whether they perished or not to some and they said so. Many times our fear runs over in our minds, hearts, and mouth. Yet the same One that came that no one would perish will still step to the bow of the ship of those who are tossed by life and deliver them with miracles. As we love his word and meditate in it, we will not be defeated by any enemy that comes against us. As we mind the things of the spirit, the phantoms of the night evaporate before God's presence.

## **PROPHECY**

*This charge I commit unto thee,  
son Timothy, according to the  
prophecies which went before on  
thee, that thou by them  
mightest war a good warfare;  
1 Timothy 1:18*

*Surely the Lord GOD will do nothing,  
but he revealeth his secret  
unto his servants the prophets.  
The lion hath roared,  
who will not fear?  
The Lord GOD hath spoken,  
who can but prophesy?  
Amos 3: 7 – 8*

## **CONFESSION OF FAITH**

*The word is nigh thee, even in thy mouth,  
and in thy heart: that is, the word of faith,  
which we preach; That if thou shalt  
confess with thy mouth the Lord Jesus,  
and shalt believe in thine heart that God  
hath raised him from the dead, thou shalt  
be saved. For with the heart man believeth  
unto righteousness;  
and with the mouth confession  
is made unto salvation.*

*Fight the good fight of faith  
Lay hold on eternal life,  
Whereunto thou art also called,  
and has professed a good
