A FRESH WORD

PROPHETIC INSIGHT

*“The Clouds of Trouble Are Chased Away
by the Sunshine of God’s Love”*

By Don Grigsby

A landscape photograph showing a bright sun low on the horizon, creating a lens flare effect. The sun is partially obscured by a layer of clouds. The foreground is dark, showing the silhouettes of trees and a field. The sky transitions from a pale blue near the horizon to a deeper blue at the top. The entire image is framed by a dark purple border with a thin gold inner line.

The clouds are the dust of his feet. God is moving against his enemies and for us when we see the clouds that look like storms on the horizon. We are compared to eagles if we wait and minister to the Lord. Scientists have found that the eagle does not flee from the storm but flies into the whirlwind. It uses the resistance to fly higher than it could otherwise. When we see the clouds we can get ready for the greatest victory ride of our lives on the wings of the wind.

Solomon's chariot in the Song of Solomon was paved with gold. Gold is the symbol of God's love. In other words, we are seeing in the dust and clouds before us the rolling Chariot of God's love rolling toward us for victory! Psalm 104:3 asked, *“Who maketh the clouds his chariot, and then his ministers a flaming fire!”*

Deuteronomy 34:26 declares that God rideth on the heavens in thy help. ***Rideth*** here in the Hebrew is the word for ***riding a war chariot***. We see then, God taking every element of heaven including the storm and turning it into a chariot of victory for us to ride, and the clouds and dust we see is the soon arrival at our door!
